A Yuletide Retreat

A cosy cabin, fun in the snow, family feasts and icy pink sunsets. As the Alpine ducks head for the ski slopes this winter, their Nordic cousins are planning a dreamy Yuletide Retreat.

This Christmas at DCUK, we're stepping away from the quackophany of everyday life and enjoying the timeless Yuletide pleasures of nature, friendship and food.

We're encouraging everyone to imagine gathering evergreen decorations with our Nordic Reindeer Duckling, and kicking back with a hot tub and egg nog with the Nordic Blush Ducklets. And, as dusk falls, even taking a sleigh ride with our Snow Duckling and loveable Hygge (hoo-gaa) style Duckys.

As always, you can rest assured that each and every one of our ducks and feathered friends is hand fledged from bamboo root, with all the exceptional quality and charm you expect of a DCUK gift.
