Eco friendly craft kits for the modern maker

- We are an Independent and sustainable brand featuring unique and on-trend designs aimed at people with a passion for design.
- Our best selling Tattooed shoulder design has been featured in many publications including Love Embroidery, Mollie Makes, The Observer Magazine, Cosmopolitan, Buzz Feed.
- Handmade in our studio in rural Warwickshire.
- Good for the planet and communities.
- Plastic free recycled packaging
- GOTS certified organic cotton ensures the workers who make our fabric are looked after and paid a fair wage.
- Our wooden hoops are excellent quality and are made in a workshop in the UK from FSC certified wood.
