BEXY BOO

BE KIND TO OUR PLANET

We have been working hard at Bexy Boo to be more environmentally aware and work towards a more sustainable future for us all.

Each card that you have received today has been digitally printed in the UK on FSC sustainable board, hand finished, cello wrapped and packed for dispatch by a lovely team of people who care very much.

Each order is made specifically for you from print to finish to cello wrapping to packing. Because of this it will take approx 6 working days to arrive with you.

We do it this way for lots of reasons:

- * We only print what we need: No waste
- * The Digital indigo HP printers we use are following recycling, recovery and reuse programmes which are continually being developed and expanded.

ALL THE DETAILS YOU NEED TO KNOW:

Email: enquiries@bexyboo.co.uk

Phone: 01565 830546

There isn't always someone there to answer your call, but we do have a lovely answering service who will take a message. If not, please email us and we will always get back to you as soon as we can.
