Stor was founded in Madrid in 1969 as a company specialized in the design, manufacture and distribution of household items.

Since the late 80s, a large part of our collection has been dedicated to Licensed products of the best worldwide studios. Stor products are manufactured in Spain and China under our direct supervision and quality control, with our own molds and designs.

Our products are being sold now in more than 80 countries on five continents.

All our products comply with the hygienic-sanitary protocols of each specific country and have been tested by the main laboratories.

Stor has been the recognized with several awards over the years.

Stor nace en Madrid en 1969 como empresa especializada en el diseño, fabricación y distribución de artículos para el hogar.

Desde finales de los años 80 una gran parte de nuestro catálogo está dedicado a productos decorados con personajes mundialmente reconocidos, fabricados bajo licencia. Los productos Stor se fabrican en España y China bajo nuestra supervisión directa y control de calidad con nuestros propios moldes y diseños. Nuestros productos se comercializan en más de 80 países de los cinco continentes.

Todos nuestros productos cumplen con las normas higiénico-sanitarias correspondientes y han sido testados por los principales laboratorios mundiales.

Stor ha sido merecedor de numerosas premias a lo largo de estos años.
