Hello and welcome to our 2022 catalog. This year we are celebrating Kikkerland's 30th anniversary! Thank you all for your support that has helped make Kikkerland what it is today. The folks at Kikkerland are happy to keep creating new and exciting ideas and designs that make your life more meaningful and fun.

One of the most delightful things in life is to keep up with your good old friends and family. My friend, **David Dear** has a great sense of humor, and for our dog line KOBE he created 3 dog toys inspired by our favorite delivery people. They squeak and crinkle as your dog plays. There are 4 new products in KOBE that are designed in-house by KDT. We have a Hiking Kit which contains everything your dog needs when going on an adventure. You can also bring along our new Fake News Travel Bowl and Treat Bag made of waterproof Tyvek. We invented an adorable Dog Light perfect for night walks that has hooks that you can hang your waste bags on. The KOBE collection offers a gesture of kindness by donating to the International Street Dog Foundation.

The secret of genius is to carry the spirit of the child into old age, which means to never lose your enthusiasm. A new design group from England called **Goodlines** couldn't agree more. They came up with a great new brand for Kikkerland called KIDOKI. A children's line for age 3+ that is playful and fun and encourages them to be creative. The first 12 original products range from bubble makers to wooden balance games to games in tins that are perfect for travel.

**Hector Serrano** had the idea of CRAFTERS and NEWTON'S LAB. Both lines are based on experiences and not particularly on objects. CRAFTERS has a new Paper Making Kit, and an Image Transfer Kit where you learn to use an essential oil to print images and customize your own tote bag. NEWTON'S LAB has a Windmill Kit that generates electricity to light up a little house, and a DIY Pulley Crane Kit that teaches you about Newton's third law. To be creative is an experience that can set you free.

Nowadays, we spend more time at homes. It's a delight when things are tidy and clean. German native, **Jette Scheib** came up with an ingenious Pop-Up Wall Clock. It is shipped in a small box and when unfolded it is a 1 meter (almost a yard) big Train Station Clock. Jette also designed a new pen called the Acrobat Balancing Pen, a mesmerizing desk toy that helps to decompress your mind.

One of the healthiest things for us to do is to spend some time with nature. This is true for outdoors, but indoors as well. London designers **WITH Creative** created the Terracotta Bottle Planter for indoor gardening. It's a self-watering pot that sits atop of a bottle that you have upcycled.

At Kikkerland we are always very busy and are trying different things. What keeps us sane is to finish first what we are doing before starting another job. Our in-house design team, **KDT**, deserves a big cheer for doing just that and finishing another superb season. Please check out these new and original products in the following pages. In play we have a Shadow Game, Golf Trivia and a Huckleberry Compass. For outdoors there is a beautiful Survival Kit. In the kitchen there are ice cubes in the shape of golf, soccer and basketballs, and new bold Color Block Reusable Straws.

We hope you will enjoy this exciting new assortment. As always, I look forward to seeing you all in the near future and celebrating Kikkerland's 30th anniversary together.

Jan van der Lande

Hallo und herzlich willkommen zu unserem Katalog 2022. Dieses Jahr feiern wir das 30-jährige Bestehen von Kikkerland! Vielen Dank für Ihre Unterstützung, die dazu beigetragen hat, Kikkerland zu dem zu machen, was es heute ist. Die Mitarbeiterinnen und Mitarbeiter von Kikkerland lieben es, immer wieder neue und aufregende Ideen und Designs zu entwerfen, die Ihr Leben sinnvoller und unterhaltsamer machen.

Eines der schönsten Dinge im Leben ist es, mit seinen Freunden und seiner Familie in Kontakt zu bleiben. Mein Freund **David Dear** hat einen großartigen Sinn für Humor. Für unsere Hundelinie KOBE hat er 3 Hundespielzeuge entworfen, die von unseren Lieblingslieferanten inspiriert sind. Sie quietschen und knistern, wenn Ihr Hund damit spielt. In der KOBE-Serie gibt es 4 neue Produkte, die von KDT selbst entwickelt wurden. Wir haben ein Hiking-Kit, das alles enthält, was Ihr Hund für ein spannendes Abenteuer braucht. Sie können auch unseren neuen Fake-News-Reisenapf und die Leckerli-Tasche aus wasserdichtem Tyvek mitbringen. Wir haben eine tolle Hundelampe erfunden, die perfekt für Nachtspaziergänge geeignet ist und Haken hat, an die Sie Kotbeutel hängen können. Die KOBE-Kollektion bietet eine Geste der Freundlichkeit durch eine Spende an die International Street Dog Foundation.

Das Geheimnis des Genies besteht darin, den Geist des Kindes bis ins hohe Alter zu bewahren, was bedeutet, dass man nie seinen Enthusiasmus verliert. Eine neue Designgruppe aus England namens **Goodlines** könnte dem nicht mehr zustimmen. Sie haben eine großartige neue Marke für Kikkerland namens KIDOKI entwickelt. Eine Kinderlinie ab 3 Jahren, die verspielt ist, Spaß macht und zur Kreativität anregt. Die ersten 12 originellen Produkte reichen von Seifenblasenmachern über Balance-Spiele aus Holz bis hin zu Spielen in Dosen, die perfekt für unterwegs sind.

**Hector Serrano** hatte die Idee zu CRAFTERS und NEWTON'S LAB. Beide Linien beruhen auf Erfahrungen und nicht speziell auf Gegenständen. CRAFTERS hat ein neues Papierschöpfer-Kit und ein Bildtransfer-Kit, in dem Sie lernen, wie Sie mit einem ätherischen Öl Bilder drucken und Ihre eigene Tragetasche gestalten können. NEWTON'S LAB hat ein Windmühlen-Kit, das Strom erzeugt, um ein kleines Haus zu beleuchten, und ein DIY-Rollenkran-Kit, das Ihnen das dritte Newtonsche Gesetz näher bringt. Kreativ zu sein ist eine Erfahrung, die Sie frei machen kann.

Heutzutage verbringen wir mehr Zeit zu Hause. Wie schön, wenn alles aufgeräumt und sauber ist. Die aus Deutschland stammende **Jette Scheib** hat eine geniale Pop-Up-Wanduhr entworfen. Sie wird in einer kleinen Schachtel geliefert und ist aufgeklappt eine 1 Meter große Bahnhofsuhr. Jette hat auch einen neuen Stift entworfen, den Acrobat Balancing Pen, ein hypnotisierendes Schreibtischspielzeug, das Ihnen hilft, Ihren Geist zu entspannen.

Eines der gesündesten Dinge, die wir tun können, ist, Zeit mit der Natur zu verbringen. Dies gilt für den Außenbereich, aber auch für den Innenbereich. Die Londoner Designer **WITH Creative** entwarfen den Terrakotta-Flaschentopf, damit Sie auch drinnen gärtnern können. Dabei handelt es sich um einen selbstbewässernden Topf, der auf einer Flasche sitzt, die Sie upcycelt haben.

Bei Kikkerland sind wir immer in Bewegung und probieren verschiedene Dinge aus. Was uns gesund hält, ist, zuerst das zu beenden, was wir gerade tun, bevor wir eine neue Aufgabe beginnen. Unser hauseigenes Designteam, **KDT**, verdient ein großes Lob dafür, dass es genau das getan und eine weitere hervorragende Saison abgeschlossen hat. Sehen Sie sich diese neuen und originellen Produkte auf den folgenden Seiten an. Im Spielbereich haben wir ein Schattenspiel, Golf Trivia und einen Huckleberry-Kompass. Für draußen gibt es ein wunderschönes Survival-Kit. In der Küche gibt es Eiswürfel in Form von Golf-, Fußball- und Basketballen und neue, auffällige, wiederverwendbare Color-Block-Strohhalme.

Wir wünschen Ihnen viel Freude mit diesem aufregenden neuen Sortiment. Wie immer freue ich mich, Sie alle in naher Zukunft zu sehen und gemeinsam das 30-jährige Bestehen von Kikkerland zu feiern.

Bonjour et bienvenue sur notre catalogue 2022. Cette année, nous célébrons le 30e anniversaire de Kikkerland ! Merci à tous pour votre soutien qui a contribué à faire de Kikkerland ce qu'elle est aujourd'hui. Les collaborateurs de Kikkerland sont heureux de continuer à avoir des idées et créer ainsi des concepts nouveaux et passionnantes qui rendent votre vie plus significative et plus amusante.

L'une des choses les plus agréables dans la vie est de garder le contact avec ses bons amis et sa famille. Mon ami **David Dear** a un grand sens de l'humour et, pour notre gamme de chiens KOBE, il a créé trois jouets pour chiens inspirés de nos livreurs préférés. Ils couinent et crissent lorsque votre chien joue avec. Il y a 4 nouveaux produits dans KOBE qui ont été conçus en interne par KDT. Nous avons un kit de randonnée qui contient tout ce dont votre chien a besoin pour partir à l'aventure. Vous pouvez également emmener notre nouveau bol de voyage et notre sac à friandises Fake News en Tyvek étanche. Nous avons inventé une adorable lampe pour chien, parfaite pour les promenades nocturnes, qui est dotée de crochets auxquels vous pourrez accrocher vos sacs à déchets. La collection KOBE fait un geste en faisant un don à l'International Street Dog Foundation.

Le secret du génie est garder son âme d'enfant, même à un âge avancé, ce qui signifie ne jamais perdre son enthousiasme. Un nouveau groupe de design anglais, **Goodlines**, est entièrement d'accord avec cette idée. Ils ont créé une nouvelle marque pour Kikkerland, appelée KIDOKI. Une ligne pour enfants de 3 ans et plus qui est ludique et amusante et qui les encourage à être créatifs. Les 12 premiers produits originaux vont des machines à bulles aux jeux d'équilibre en bois, en passant par les boîtes de jeu, parfaites pour le voyage.

**Hector Serrano** a eu l'idée des CRAFTERS et du NEWTON'S LAB. Les deux lignes sont basées sur des expériences et pas particulièrement sur des objets. CRAFTERS propose un nouveau kit de fabrication de papier et un kit de transfert d'images dans lequel vous apprendrez à utiliser une huile essentielle pour imprimer des images et personnaliser votre propre sac fourre-tout. NEWTON'S LAB propose un kit de moulin à vent qui produit de l'électricité pour éclairer une petite maison, et un kit de grue à poulie à faire soi-même qui vous apprend la troisième loi de Newton. Être créatif est une expérience qui peut vous libérer.

De nos jours, nous passons plus de temps à la maison. Ça fait plaisir quand les choses sont bien rangées et propres. **Jette Scheib**, originaire d'Allemagne, a créé une ingénieuse horloge murale pop-up. Elle est expédiée dans une petite boîte et, une fois dépliée, c'est une horloge de gare d'un mètre de long. Jette a également conçu un nouveau stylo, l'Acrobat Balancing Pen, un jouet de bureau hypnotique qui aide à décompresser.

L'une des choses les plus saines que nous puissions faire est de passer du temps avec la nature. Cela est vrai pour l'extérieur, mais aussi pour l'intérieur. Les designers londoniens **WITH Creative** ont créé une jardinière en forme de bouteille en terre cuite pour le jardinage intérieur. Il s'agit d'un pot à arrosage intégré qui se trouve au sommet d'une bouteille que vous avez recyclée.

Chez Kikkerland, nous sommes toujours très occupés et nous essayons différentes choses. Ce qui nous permet de rester sains d'esprit, c'est de terminer d'abord ce que nous faisons avant de commencer un autre travail. Notre équipe de design interne, **KDT**, mérite un grand bravo pour avoir fait cela et terminé une autre superbe saison. Nous vous invitons à découvrir ces produits nouveaux et originaux dans les pages suivantes. En termes de jeu, nous avons un jeu d'ombres, un quiz de golf et une boussole Huckleberry. Pour l'extérieur, il y a un magnifique kit de survie. Pour la cuisine, vous trouverez des glaçons en forme de ballon de golf, de football et de basket, et de nouvelles pailles réutilisables Color Block très affirmées.

Nous espérons que vous adorerez cette gamme nouvelle et intéressante. Comme toujours, je me réjouis de vous voir tous dans un avenir proche et de célébrer ensemble le 30e anniversaire de Kikkerland.

Hola y bienvenidos al catálogo de 2022. ¡Este año celebramos el 30 aniversario de Kikkerland! Gracias a todos por vuestro apoyo que nos ha ayudado a que Kikkerland llegue hasta donde ha llegado. Todo el equipo de Kikkerland estamos muy contentos de seguir creando ideas y diseños nuevos y fascinantes para hacerle la vida más divertida y sencilla.

Una de las mejores cosas de esta vida es mantener el contacto con tus amigos de siempre y la familia. Mi amigo **David Dear** tiene un gran sentido del humor, así que para nuestra línea canina KOBE ha creado 3 juguetes para perro para los que se ha inspirado en nuestros repartidores favoritos. Chillan y se retuercen cuando tu perro juega con ellos. Nuestro equipo de diseño ha diseñado 4 nuevos productos para la línea KOBE. Tenemos un kit de senderismo completo con todo lo que tu perro necesita para cuando os vayáis a pasear al campo. También puedes llevar nuestro nuevo bol de viaje de noticias falsas y nuestra bolsa de premios de tejido impermeable Tyvek. Hemos creado una simpática linterna para perros ideal para los paseos nocturnos que tiene unos mosquetones para poder enganchar las bolsas para las heces. La colección KOBE se pone solidaria y hace una donación a la fundación internacional de perros callejeros (International Street Dog Foundation).

El secreto de los genios es mantener el espíritu infantil hasta la vejez, lo que significa que nunca pierdes el entusiasmo. El nuevo grupo de diseñadores de Inglaterra llamado **Goodlines** no podría estar más de acuerdo con esta afirmación. Han ideado una nueva marca para Kikkerland llamada KIDOKI. Una línea infantil para niños mayores de 3 años muy divertida que los anima a sacar toda su creatividad. Sus primeros 12 originales productos van desde pomperos hasta juegos de equilibrio de madera pasando por juegos enlatados perfectos para los viajes.

**Héctor Serrano** ha creado las líneas de manualidades CRAFTERS y de laboratorio NEWTON'S LAB. Ambas líneas se basan en experiencias y no en objetos concretos. CRAFTERS tiene un kit para hacer papel y un kit de calco en el que aprenderás a utilizar aceites esenciales para grabar imágenes y customizar tu propia bolsa tote. NEWTON'S LAB tiene un kit de molino que genera electricidad para iluminar una casita y un kit de grúa con polea que te enseña cuál es la tercera ley de Newton. La creatividad puede liberarte.

Hoy en día, pasamos más tiempo en casa. Es un gusto verlo todo limpio y ordenado. La diseñadora alemana **Jette Scheib** ha ideado un ingenioso reloj de pared desplegable. Viene en una pequeña caja y cuando lo abres, se convierte en un reloj de estación de tren de un metro de alto. Jette también ha diseñado un nuevo boli llamado el boli equilibrista acróbata, un hipnotizador juguete para que coloques en tu mesa de trabajo y te ayude a relajarte la mente.

Una de las cosas más saludables que podemos hacer es pasar un tiempo en contacto con la naturaleza. Esto podemos hacerlo tanto al aire libre como en interior. El equipo de diseño londinense **WITH Creative** ha creado el macetero de terracota para botellas para que des rienda suelta a tus dotes de jardinero dentro de casa. Es una maceta con autorriego que se coloca encima de una botella que has reutilizado.

En Kikkerland no paramos y siempre estamos probando cosas nuevas. Para no perder la calma, siempre acabamos lo que estamos haciendo antes de ponernos con otra cosa. Nuestro equipo de diseño interno, **KDT**, se merece un gran aplauso por hacer justo eso y poner fin a otra temporada maravillosa. Echa un vistazo a nuestros nuevos productos originales en las siguientes páginas. Entre los nuevos juegos, tenemos un juego de sombras, un trivial sobre golf y una brújula de arándanos. Para el aire libre, un precioso kit de supervivencia. Para la cocina, tenemos moldes para hacer cubitos de hielo con forma de pelotas de golf, fútbol y baloncesto y unas nuevas pajitas reutilizables de atrevidos colores.

Esperamos que te gusten todas nuestras novedades. Como siempre, espero que sigamos disfrutando juntos en el futuro cercano y que podamos celebrar juntos el 30 aniversario de Kikkerland.

Olá! Receba as nossas boas vindas ao nosso catálogo de 2022. Este ano estamos a celebrar o 30º aniversário da Kikkerland! Agradecemos a todos pelo vosso apoio que ajudou a tornar a Kikkerland naquilo que é hoje. O pessoal de Kikkerland está feliz por continuar a criar novas e excitantes ideias e designs que tornam a sua vida mais significativa e divertida.

Uma das coisas mais agradáveis na vida é acompanhar os nossos bons velhos amigos e familiares. Meu amigo, o **David Dear** tem um grande sentido de humor, e para a nossa linha canina KOBE ele criou 3 brinquedos para cães inspirados pelo nosso pessoal favorito das entregas. Eles emitem rangidos e sons crocantes enquanto o seu cão brinca. Existem 4 novos produtos na KOBE que foram desenhados internamente pela KDT. Nós temos um Kit de Caminhadas que contém tudo o que o seu cão precisa quando sai para uma aventura. Também pode levar consigo a nossa nova "Fake News Travel Bowl" (tigela de viagem) e "Treat Bag" (saco de guloseimas) feitos em Tyvek à prova de água. Inventámos uma adorável "Dog Light" (luz para cães) perfeita para passeios noturnos e tem ganchos nos quais pode pendurar os sacos de resíduos. A coleção KOBE oferece um gesto de bondade ao fazer uma doação à "International Street Dog Foundation" (Fundação Internacional do Cão de Rua)

O segredo da genialidade é levar o espírito da criança até à velhice, o que significa nunca perder o entusiasmo. Um novo grupo de design da Inglaterra chamado **Goodlines** não podia estar mais de acordo. Eles criaram uma grande marca nova para a Kikkerland chamada KIDOKI. Uma linha para crianças, com mais de 3 anos, brincalhona e divertida e encoraja-as a serem criativas. Os primeiros 12 produtos originais vão desde máquinas de bolas de sabão até jogos de equilíbrio em madeira e jogos em latas que são perfeitos para viagens.

**Hector Serrano** teve a ideia de CRAFTERS e NEWTON'S LAB. Ambas as linhas são baseadas em experiências e não particularmente em objetos. A linha CRAFTERS tem um novo Kit de Fabrico de Papel, e um Kit de Transferência de Imagem em que aprende a utilizar um óleo essencial para imprimir imagens e personalizar o seu próprio saco de compras. A linha NEWTON'S LAB tem um Kit "faça você mesmo" de Moinho de Vento que gera eletricidade para iluminar uma pequena casa, e um Kit de Guindaste de Polia que lhe ensina sobre a terceira lei de Newton. Ser criativo é uma experiência que tem a capacidade de nos libertar.

Hoje em dia nós passamos mais tempo em casa. É uma satisfação quando as coisas estão arrumadas e limpas. A nativa alemã, Jette Scheib criou um engenhoso Relógio de Parede Pop-Up. Ele é enviado numa caixa pequena e quando desdobrado torna-se um grande relógio (de 1 metro) de estação ferroviária. A Jette também concebeu uma nova caneta chamada "Acrobat Balancing Pen" (Caneta de Equilíbrio Acrobata), um fascinante brinquedo de secretária que ajuda a descontrair a mente.

Uma das coisas mais saudáveis que podemos fazer é passar algum tempo com a natureza. Isto é verdade para o ambiente exterior, mas também para o interior. Os designers londrinos **WITH Creative** criaram o Terracotta Bottle Planter (cultivador em terracotta) para a jardinagem interior. É um vaso auto-rega que se apoia no topo de uma garrafa reciclada.

Na Kikkerland estamos sempre muito ocupados e estamos a tentar coisas diferentes. O que nos mantém sãos é terminar primeiro o que estamos a fazer antes de começar outro trabalho. A nossa equipa interna de design, a **KDT**, merece um grande aplauso por fazer exatamente isso e terminar mais uma excelente temporada. Veja, por gentileza, estes produtos novos e originais nas páginas seguintes. Nos jogos, temos um "Shadow Game" (jogo de sombras), "Golf Trivia" (curiosidades pafa golfe) e uma bússola Huckleberry Compass. Para o ar livre há um belo Kit de Sobrevivência. Na cozinha há cubos de gelo com a forma de bolas de golfe, futebol e basquetebol, e novas e arrojadas palhinhas reutilizáveis Color Blok.

Esperamos que aprecie este novo e excitante sortimento. Como sempre, estou ansioso por vos ver a todos num futuro próximo e celebrar juntos o 30º aniversário da Kikkerland.

Hallo. Graag bieden wij onze catalogus voor 2022 aan. Dit jaar vieren we het 30-jarig bestaan van Kikkerland! Ik dank u allen voor uw steun. U heeft eraan bijgedragen dat Kikkerland is wat het nu is. Kikkerland wil graag nieuwe, spannende ideeën en ontwerpen blijven creëren die het leven zinvol en leuk maken.

Een van de fijnste dingen in het leven is omgaan met je goede oude vrienden en familie. Mijn vriend, **David Dear** heeft een goed gevoel voor humor. Voor onze hondenlijn KOBE creëerde hij 3 hondenspeeltjes. Ze zijn geïnspireerd op onze favoriete bezorgers. De speeltjes piepen en knisperen als uw hond speelt. Er zijn 4 nieuwe producten in KOBE die in-house door KDT zijn ontworpen. Er is een Hiking Kit met alles wat je hond nodig heeft als hij op avontuur gaat. Je kunt ook onze nieuwe Fake News Travel Bowl en Treat Bag meenemen, gemaakt van waterdicht Tyvek. Ook hebben we een schattig hondenlampje ontwikkeld, perfect voor nachtelijke wandelingen, met haakjes om je afvalzakjes aan te hangen. De KOBE-collectie toont zijn goede wil door te doneren aan de International Street Dog Foundation.

Het geheim van slimme mensen is dat zij tot op hoge leeftijd het kind in zichzelf bewaren, zodat ze nooit hun enthousiasme verliezen. Een nieuwe ontwerpgroep uit Engeland, **Goodlines** genaamd, is het daar helemaal mee eens. Ze kwamen met een geweldig nieuw merk voor Kikkerland. Het heet KIDOKI. Een kinderlijn voor kinderen vanaf 3 jaar, speels en grappig. Kinderen worden aangemoedigd creatief te zijn. De eerste 12 originele producten variëren van bellenmakers tot houten evenwichtspelletjes. Er zijn ook spelletjes in blikjes. Perfect voor op reis.

**Hector Serrano** had het idee van CRAFTERS en NEWTON'S LAB. Beide lijnen zijn gebaseerd op ervaringen, niet in het bijzonder op voorwerpen. CRAFTERS heeft een nieuwe Paper Making Kit, en een Image Transfer Kit waarin je leert met een etherische olie afbeeldingen af te drukken en je eigen draagtas te personaliseren. NEWTON'S LAB heeft een Windmill Kit. De windmolen wekt elektriciteit op om een huisje te verlichten. Er is een ook een bouwpakket voor een hokje waarmee je de derde wet van Newton in praktijk brengt. Creatief zijn is een bevrijdende ervaring.

Tegenwoordig brengen we meer tijd thuis door. Het is een genot als alles opgeruimd en schoon is. De Duitse **Jette Scheib** kwam met een ingenieuze Pop-Up wandklok. Hij wordt verzonden in een kleine doos en hij wordt opengewoond tot een 1 meter grote stationsklok. Jette ontwierp ook een nieuwe pen, de Acrobat Balancing Pen. Dit betoverende bureauspeeltje helpt de geest te ontspannen.

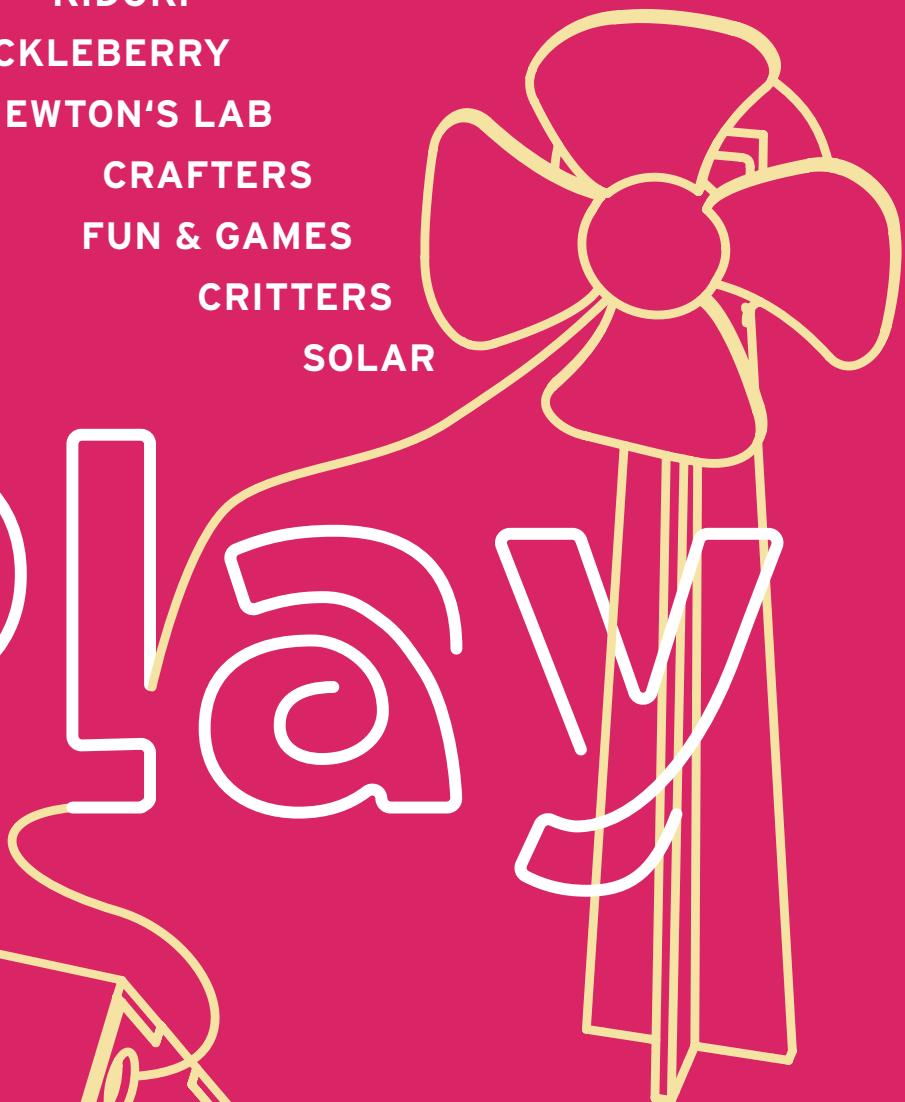

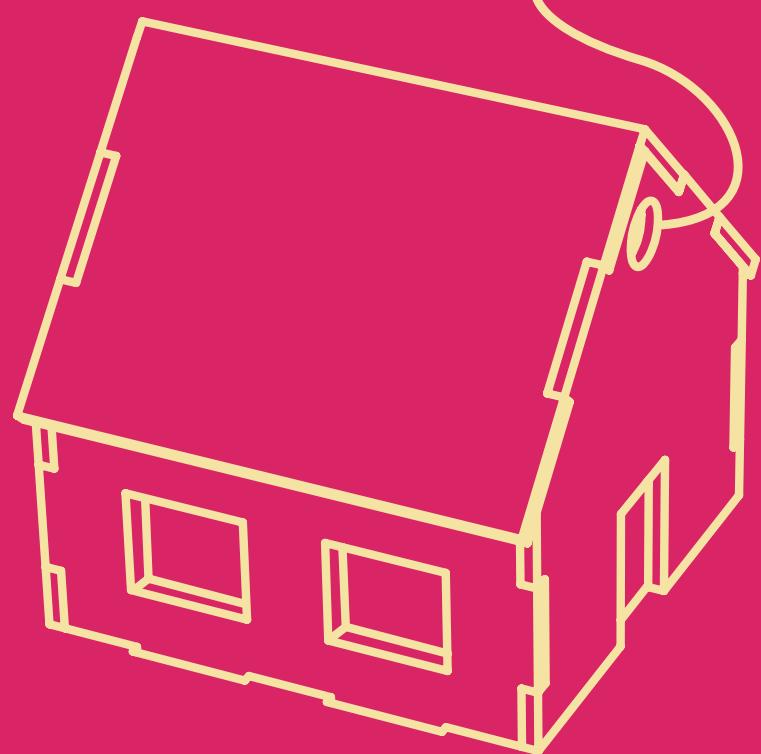

Een van de gezondste dingen die we kunnen doen is tijd doorbrengen met de natuur. Dit geldt voor buiten, maar ook voor binnen. De Londense ontwerpers **WITH Creative** ontwierpen de Terracotta Bottle Planter om binnenshuis te tuinieren. Het is een pot die zelf water geeft, bovenop een fles die je upcyclet.

Bij Kikkerland zijn we altijd bezig om verschillende dingen uit te proberen. Wat ons gezond houdt is dat we eerst afmaken waar we mee bezig zijn voordat we aan een andere klus beginnen. Ons eigen ontwerpteam, **KDT**, verdient een applaus omdat ze dat hebben gedaan en weer een prachtig seizoen hebben afgemaakt. Bekijk deze nieuwe originele producten op de volgende pagina's. Onze nieuwe spellen zijn Schaduwspel, Golf Trivia en een Huckleberry Kompass. Voor buiten is er een mooie Survival Kit. Voor de keuken hebben we ijsblokjes in de vorm van golf-, voetbal- en basketbal, en nieuwe opvallende Color Block herbruikbare rietjes.

Wij hopen dat je dit spannende nieuwe assortiment met plezier bekijkt. Zoals altijd hoop ik jullie allen in de nabije toekomst te zien en samen het 30-jarig bestaan van Kikkerland te vieren.
