

# MERAKI

TO DO SOMETHING WITH SOUL, CREATIVITY, OR LOVE;  
TO PUT SOMETHING OF YOURSELF INTO YOUR WORK

# HELLO!

Meraki is a passionate, female led company striving to create unique designs and luxury giftware products.

Our focus is not only on quality but also sustainability – all our cards are printed on sustainably sourced board and are completely recyclable, so you can enjoy our products guilt free whilst being kind to the planet.

As a mother-daughter owned company, our team very much feels like a family fuelled by positivity and celebration, supporting one another in everything we do, as well as supporting and collaborating with other talented artists.

We've been incredibly busy these past few months and are so excited to share lots of lovely new designs with you.

Motivated by our commitment to caring for our planet and inspired by nature we have created beautifully finished florals, quirky emotive characters and celebratory designs. Embracing positivity has been very much at the forefront of our minds which is reflected in the use of colour and emotion and innovative finishes in all our collections.

We hope you enjoy viewing our designs as much as we have loved creating them!

## Free Delivery!

We want to make it easy for you to stock our cards, so we have no minimum order and all orders are sent free delivery.

## Great Service!

We were recent finalists for our Customer Service at The Henries' Awards and aim to provide the best customer service possible. Most orders ship within 3-5 days, but if you need something quicker let us know and we'll do everything we can to get it to you when you need it.

## Making a Difference

We are constantly reviewing the necessary changes to improve the sustainability of our product to reduce the impact of our business on the limited resources of our planet.

We take special care in the research of beautiful quality boards, which are also sustainable and FSC accredited. In addition to FSC accreditation our boards are carbon balanced in association with the World Land Trust. The World Land Trust is a UK registered charity that has raised more than £25 million to purchase and protect more than 774,000 acres of threatened habitat in Africa.

Our cards also carry the Recycle Me logo which clearly identifies our product to the consumer as being recyclable. And we have gone plastic free in our greeting card packaging with each card being card clasped instead of cello wrapped. (If you require your order to be cello wrapped, please let us know when you place your order.)
