You don't know what is going to happen or
what is around the corner but that's what
makes it fun....

Stuart Lamb, Chairman

ABOUT WILLIAM LAMB GROUP

We have a heritage that dates back more than a century when we began making specialised footwear in the form of clogs. Today, we are delighted to be the UK's leading supplier of licensed footwear and accessories. Over many years, William Lamb has developed and strengthened partnerships with a considerable portfolio of international licensees. These partnerships have enabled us to design and manufacture a substantial and innovative range of products for children and adults.

We are always striving to identify the next big license and bring it to the market quickly in order to drive your sales. 2022 offers many exciting TV, movie and game releases and our award-winning creative team has developed innovative footwear and accessories to support them. We hope you like them as much as we do.
