Spring/Summer 2022

# Welcome

... to our Spring/Summer 2022 supplement, where you'll find all of our lovely newness.

First up, commemorate the Queen's Platinum Jubilee with mugs and baubles, including Picturemaps and the Official Jubilee Emblem (page 3).

Two of our bestselling ranges, Rosie Made A Thing (page 4) and Orla Kiely (page 6) see a bunch of fresh designs which we are sure you and your customers will love.

After a strong first showing last year, we're delighted to introduce eight more Dandelion Stationery designs (page 8).

Last but not least, journey to the coast with the wonderful Mini Moderns and their mid-century inspired prints (page 9).

We can't wait to see you all at trade shows. Here's to a marvellous 2022,

*Team McLaggan*
