

The background is a vibrant teal color. It features a collage of items: a brown paper bag with black line art of a fist, a speech bubble saying "LAT!", and the letter "B"; a pair of white sneakers with black line art patterns; several colored pencils; and a group of six markers in blue, green, yellow, pink, red, and purple. Scattered white stars are also present.

## KICK START CREATIVITY

The Jex colour-in range is designed to be eye catching and appeal to kids of all ages (and parents too!). The products all look great in black and white but it's when they're coloured in that they really come to life and become truly unique.

Jex isn't just about style, all of our colour-in stuff is built to last. Our products are durable, built to be kid-proof and endure the rigours of rough and tumble.

Every pair of trainers comes in an eye catching box with 7 permanent fabric pens, a Jex key ring and a 12 page colouring-in booklet.
