## THE AROMATHERAPY CO.®

*Essentials for the mind, body & soul.*

We are passionate about Aromatherapy whether it is the therapy of 100% pure and natural essential oils or a beautiful bespoke fragrance; our product range incorporates candles, fragrance diffusers, essential oils, body lotions, washes and creams.

The Aromatherapy Co's mission is to bring the creativity, ingenuity and natural beauty of our country to the world through our body care made in New Zealand and our home fragrance made in specialist off-shore facilities governed and audited by our own supply chain team.

With premium retail presence in top department stores and independent retailers throughout Australasia and selected markets in Asia, USA and Europe.

We are committed to creating pure and natural body care. All our body care products are free from parabens, sodium laurel sulphates and mineral oils. We are constantly searching for new ways to refine our formulations and make them as simple and pure as possible.

Our in-house design team is constantly working to develop and refine our ranges to bring products to the market that are at the forefront of natural beauty and well-being. We are constantly improving our formulations making our range of products as natural and innovative as possible, as well as attractive and fresh.

*Timeless styling and consumer desire for natural products.*

### THERAPY CORE

Therapy Core Range is our main collection of body care and home fragrance products that are beneficial for the mind, body and soul. We have selected a range of natural essential oils and blended them to help bring their benefits for the everyday home and everyday life. Our selection of fragrant blends create signature layered aromas distinct to the Therapy Range.

### THERAPY KITCHEN

Therapy Kitchen range is a culinary inspired exploration that benefits the heart of the home. It has been specifically formulated to help eliminate cooking odours and keep both your kitchen and your hands healthy and germ free, with luxurious eco-friendly packaging. Available in Lemongrass, Lime & Bergamot and Mandarin, Mint & Basil.

### THERAPY GARDEN

The botanically inspired fragrance blend of Wild Lime and Mint is infused with fig and olive extracts to help repair and replenish skin. This combination is a natural antioxidant that gently exfoliates and hydrates. Therapy Garden Range is created for the hard-working gardener and will leave your skin naturally cleansed, boasting antiseptic & healing properties.

# essential oils

---

Essential oils help trigger responses in the brain that send healing to the body. It takes approximately 4 seconds for an essential oil to reach the brain through smell and this can help relieve nerves, stress and anxiety. When inhaled the essential oils also enter the bloodstream and can help to balance hormone levels, improve digestive issues, relax the mind, body & soul.

HOW TO USE HOW TO USE HOW TO USE

- Add 4-6 drops to oil burners or into a bath under running water.
- Drop into a bowl of hot water and inhale
- Breathe the vapour directly from the bottle
- For skin, add 1-2 drops per teaspoon of carrier oil. Apply topically to the wrists or behind the ears (half dosage for children.)
- Rub onto the scalp to treat dandruff
