TALA MID PULL UP

72114KW

Designed to dress a traditional boot style with a more contemporary inspiration, with these robust outdoors mid cut moc toe boots were handcrafted with casual looking and resistant pull up leather, which was sanded and well greased to allow it to later acquire a unique beautiful vintage patina when the shoes are worn. Hand-sewn with the finest craftsmanship after the Native American shoe-making technique, they feature a hand-sewn upper with moc-toe, leather lining, side panels in suede, rawhide laces and a Sebago branded lightweight EVA die-cut sole for comfort and shock absorption. The “Tala” boots are the perfect outdoors shoe to wear around camp, and take their name from the Sioux native Americas word for “stalking wolf”: Tala.

SIZES: 6 6.5 7 7.5 8 8.5 9 9.5 10 10.5 11 11.5 12 12.5 13 13.5 14 14.5 15

NINA SUEDE LEA

71113QW

Hand sewn with the finest craftsmanship to be the perfect nautical footwear, these 1-eye short vamp boat mocs are designed around the finer feminine foot and made of full grain leather (collar and vamp) and soft suede. They come with leather sock lining, 360° rawhide lace system and thinner, elegant non-marking antislip siped rubber soles with a minimal heel to offer stable grip in all weather conditions. Classic Sebago woven label. The "Nina" mocs are a homage to the women of one the most known and beloved families in modern American history.

CYPHON SEA SPORT WOMAN

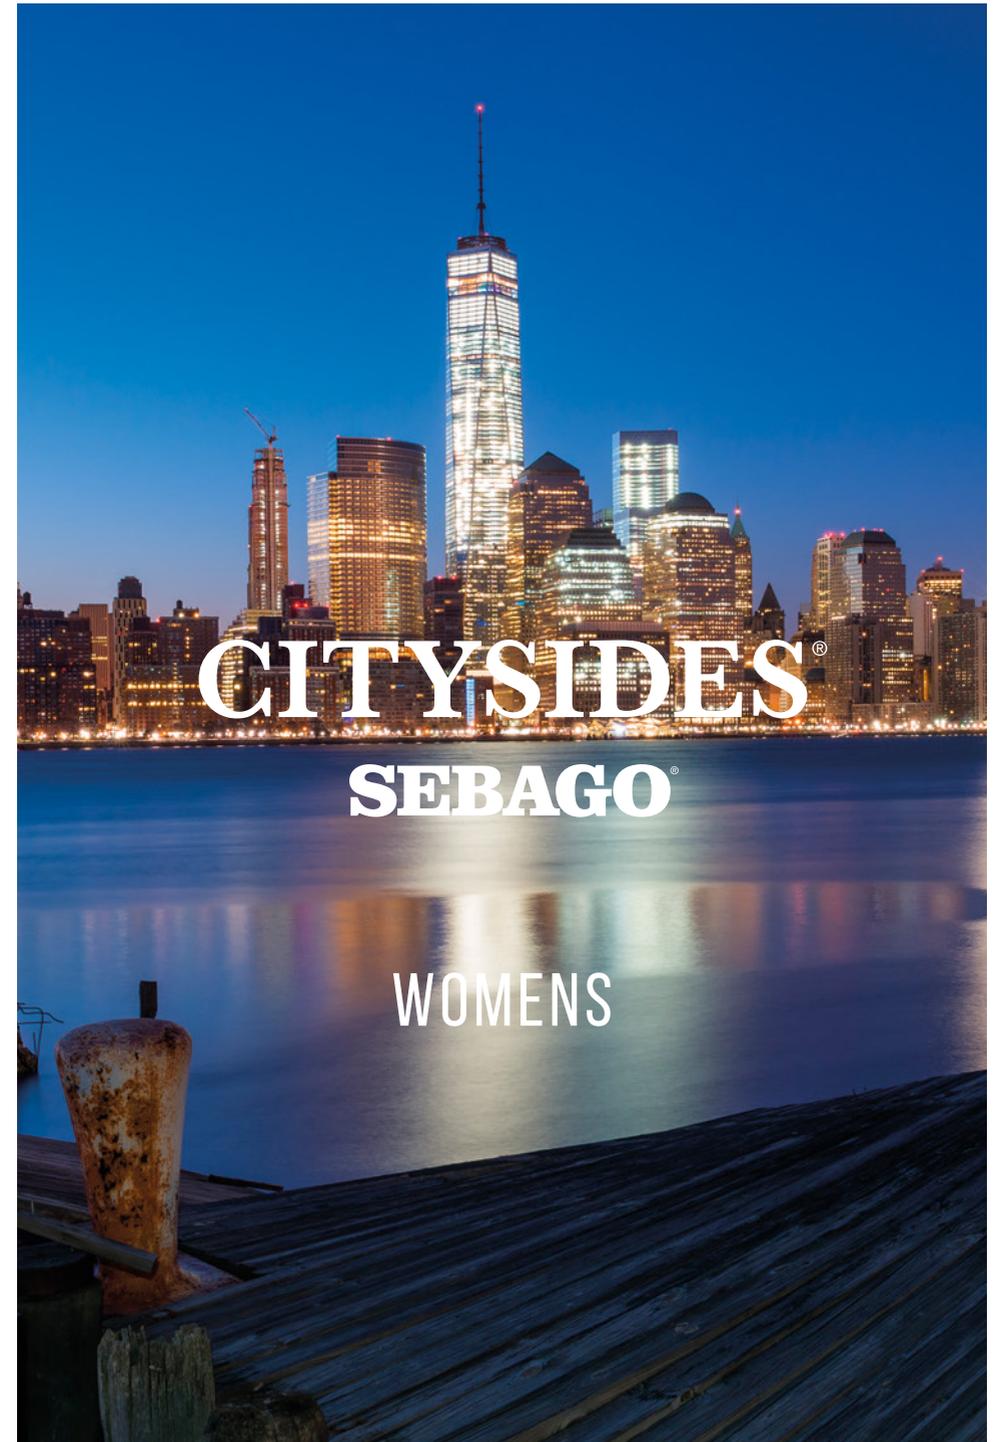

7000HRO

Engineered as a comfortable performance amphibian shoe, this high-tech ladies sneaker launches into the future the Sebago sailing heritage: it features flexible and durable Strobel construction, breathable easy-dry mono-mesh upper, elastic bungee lace system with puller, water-draining anti-microbial anti-bacterial mesh-covered removable perforated EVA footbed, shock-absorbing EVA midsole, non-marking anti-slip rubber outsole with channel-siped design to offer traction and stability, and the C3™ (Cross Channel Circulation) technology drainage system created to keep water out and minimize dry out time. A "Siphon" is any device that channels the flow of liquids.

DAN POLARIS WOMAN

7001GX0

Made of smooth corrected grain leather to stand the test of time and hand-sewn with the finest craftsmanship, these classy 4 seasons slip on beefroll penny loafer mocs come with upper unlined and leather sock lining. Their special foam rubber sole, infused with brand history as its model was drawn from the Sebago archives, is what gives them their glamorous name: the "Polaris" sole is soft, light, pliable, water-resistant, and combines traction with stability. Ideal for casual wear and unpredictable weather, every pair of "Dan Polaris" loafer is a homage to the passion of the Sebago founders and will be your guiding star as the colder seasons approaches.
