

PODS is the most innovative of play spaces, with a choice of removable, multisensory themes, children's imaginary playtime pops up out of the bag, wherever you go.

# Introduction

Imagine; a child's world that changes an ever-transforming environment that feeds children's imagination in a deeply immersive play surrounding.

Honing concentration in hours of wondrous enjoyment totally devoid of knowledge of the outside world blissfully unaware of everything that is happening out of this period called playtime.

PODS aids concentration and inspires creativity.

Study, reading and creative based learning flourishes.
