# Christmas Story Collection

The collection is full of warm colours and childhood memories. However, this year we are telling a new Christmas story with it.

Have you noticed that our range is growing in standing balloons? They are enormous, universal, magical, and convenient to arrange.

New DIY arrivals! A Christmas tree and garland. They practically pop out of the box, creating a large, striking interior decoration.

Following the footsteps of the bestselling choo-choo train, we introduce a new advent calendar with Santa's sleigh.

Also, let's not forget about sequin collars that give a festive touch to our range. A quality product for styling for the whole year!

Have a wonderful Christmas!

Balloons perfect  
for garlands!

## Fairy-tale Christmas style

Let's admit that we've been carried away by our imagination - far away to the North Pole. The polar bear balloons and the standing penguin are children's favourites. The giant standing Christmas tree balloon is a product that can create a fantastic arrangement on its own. The colourful candy balloon is a hit. It will perfectly blend into balloon bouquets and garlands.
