# Midnight Toast Collection

## Make a toast and start the countdown!

The combo of a champagne bottle and glass foreshadows a fun and bubbly mood at the party. Foil balloons can be nicely arranged into a garland or used as an extra gadget for photos. Of course, we're also expanding the category you adore. You'll find there a clock in two colours and iconic large numbers in a new shade of white. Instant decorations for both professionals and DIY enthusiasts.

## Red & Gold New Year's Eve

New Year's Eve decorations in the shade of striking red and elegant gold are a GLAM proposal for the New Year. Large red numbers filled with helium float beautifully. Together with foil letters, they create an attractive backdrop for photos and transform the party venue in just a few moments. In the collection, you will find up to 3 sizes of confetti cannons.
