Craft Kits

FOR BEGINNERS & BEYOND

Welcome to our Crafty World!

“ Feeling crafty but not sure where to start? Hawthorn Handmade craft kits give you everything you need to learn a new craft. Get creative with wool, or find your flow with stitching – pick from needle felting kits, embroidery kits, cross stitch kits, weaving or felt craft kits. Whatever you’re looking to make, we have the modern patterns and detailed instructions to get you off to the best start with no scary techniques or pricey tools needed.

All of our kits are wrapped up in our stand-out packaging and our customer support means you have unique craft expertise at your fingertips. We work with over 600 stores around the world and are ready to help you craft your own creative offering for your amazing customers.

”

Stephanie

Founder & Creative Director

Craft Business Awards 2021 – Best Stitching Brand – Highly Commended
Craft Business Awards 2020 - Best Stitching & Haberdashery Manufacturer - Winner
Best of Craft Awards 2020 - Craft Kit of the Year - Winner
Craft Business Awards 2019 - Best Emerging Craft Brand – Winner

All of our kits are made in the UK using as many British components as possible. We are working hard to remove all plastics and we use recycled and recyclable plastic where we haven't yet found an alternative.

BRAND NEW!

Look out for our Animal Christmas Baubles coming very soon!

A NOTE ON NEEDLE FELTING FOAM

Our large needle felting kits come either with (A4 sized box) or without (A5) a foam block. Our mini needle felting kits do not come with foam however we also offer the foam blocks loose. The foam block is used as a working surface whilst needle felting to protect the needle and table.

Best Seller!

NEEDLE MINDERS

Never lose your needle again! These cute yet practical needle minders are the perfect accessory to your stitching and make wonderful gifts for an embroidery or cross stitch fan.

Made in the UK from 3mm thick birch plywood and super strong neodymium magnets.

MAGNETIC NEEDLE MINDER

Never lose your needle again!

WHAT ELSE CAN THEY BE USED FOR?

You can also use a needle minder as a fridge magnet or a brooch! Pop it on the edge of your work table or sewing machine for dress-making, or use it as a cute addition to your memory cork board.

POP-UP LOOM & WEAVING KITS

Our unique and innovative Pop-Up Weaving Loom comes flat-packed - simply snap the sections apart and pop them together to create a lightweight portable loom. Our complete weaving kits include all the tools and materials to make one-of-a-kind woven wall hanging.

The Pop-Up Loom is the perfect addition to our selection of Wool Bundles!
