## People as a starting point...

Over the last 15 years, the household market has changed in many ways. More brands, more products, more complicated features. On the other hand, consumers' requirements have also changed. Customers are more than ever conscious of their purchases. People are less gadget orientated throughout their working lives.

Nowadays, most are not looking for fancy gadgets but just for something that works.

Ekau Home is for them.

## OUR MISSION

We capitalize on our sourcing expertise and our 30 years of experience in manufacturing consumer goods for famous brands, and bring you the best at a good price.

From cooking and baking to dinnerware and entertaining, Ekau\* provide tools that fit comfortably in your hands and your budget.

Let's dive in!
