## WILD BLOOM

The Royal Botanic Gardens, Kew is a world leader in plant science, an international hub for conservation and a major visitor attraction that informs the public of how plants are essential to human survival and development.

Introducing the newest addition to the Pure Table Top x Royal Botanic Gardens, Kew collaboration, 'Wild Bloom'. Lovingly designed in Britain, the AW22 collection features a beautiful selection of wildflower illustrations and a vibrant and rich colour palette of deep navy, burnt orange and ochre.

# RECYCLED MUGS

Beautifully crafted and made from 30% recycled Fine China, this stunning range of mugs is finished in a light and bright palette of greens, blues and ochres inspired by the plants found inside the Royal Botanic Gardens, Kew. Made to last, these durable and hard-wearing mugs reduce both landfill waste and carbon emissions thanks to less need for raw material extraction and processing.

Beautiful Living Jewels Mugs, designed in Britain, using hand thrown techniques from clay, creating a perfectly formed product, just for you.

The collection celebrates the complexities of a range of species documented by the Royal Botanic Gardens, Kew and gives them the same precious value you would a jewel.

Sourced closer to home, from Portugal. Our beautiful stoneware dinnerware is durable and long lasting. Decorated with an exquisite reactive glaze, each piece holds its own uniqueness.

## REACTIVE GLAZE CERAMICS

Influenced by the intricate patterns and colours from a diverse range of bugs, the Living Jewels dinnerware selection marries perfectly the past and present: the collection boasts contemporary digital-print reactive glaze techniques sourced from Portugal, inspired by historical illustrations from one of the world's most comprehensive archives of rare and historically significant artwork, held at the Royal Botanic Gardens, Kew.

## SPECIALIST

Pure Table Top is a specialist supplier of ceramics and glass, working closely with retailers and brands in the UK and worldwide. We guide and support our customers through the product lifecycle, sharing our market knowledge along the way.

## WHERE

Our showroom is based in the heart of the Leicestershire countryside, amidst rolling fields but still easily accessible from Leicester and only 1 hour by train from London.

## QUALITY

Taking pride in our quality and value for money, we work tirelessly with our factories and customers alike to design and manufacture products to the highest standards.
