STORAGE SOLUTIONS FOR MODERN LIVING

Maximising space and making the most of your available storage space can make your whole home less cluttered and more functional.

Our new **d-clutter**TM range is a stylish selection of storage solutions for modern living - from baskets to boxes, space-saving hangers to cool fridge storage. And with a mix of muted pastels and greys, teamed with innovative ideas there's something here for every customer.

RSW INTERNATIONAL

RSW International Limited established itself over 50 years ago and is now a leading importer of home and leisure products.

Our head office includes a fabulous showroom and distribution centre, covers 11 acres and is located close to the motorway network and Manchester airport, ensuring efficient processing of incoming stock and deliveries. Supported via our own offices and showrooms in Asia, we have built key relationships with UK high street retailers including independents, grocery multiples and mail order customers and are able to offer either ex-works stock UK or direct/FOB shipments.

Our suppliers are the key to our success and we work continually with our supplier base to develop a broad portfolio of creatively designed products, which differ significantly from our competitors. In addition to our core ranges, the strength of our design enables us to create bespoke design packaging tailored to our customer needs.

Everyone at RSW works as a team, bringing you, the customer, a comprehensive service from initial product concept to merchandise in store.
