WE INVITE'S TO A NEW SEASON

To create a feeling of timelessness. Out of love for the real thing, for the nature simplicity of an obvious choice. That's what we want.

To create an unpretentious place where you can be exactly as you are. Where things and man can age together. Where the patina that comes with the years just makes everything more beautiful.

To capture the beauty we have around us, which has always been there. Use it in forms that please and gild, in all its simplicity.

Because it is in the simple, in what we already know so well, that we often find it. The feeling of peace and quiet. The feeling of security, in memories from the past. If only for a little while.

STOREFACTORY®

SCANDINAVIA

With long experience in the interior design industry and retail, we felt that we wanted to create a type of product that fits in every home, that takes advantage of the expressions of the naturally beautiful and that gives that special feeling.

The feeling of peace and quiet, memories from the past in new clean Scandinavian lines. Things you can love for a long time.

Clean lines and natural materials, lovingly designed in Sweden. Our products are created by our own designers. Objects - beautiful in their simplicity - which all fit as well in the city apartment as in the cottage in the country.

WELCOMING THE SPRING MORNING

Early morning. The dew still glistens on the grass, the fog has yet to lift. Sitting out on the front porch, I fill my lungs with air.

ONE, WITH NATURE

I take a deep breath. In. Out. Filling my lungs with air. And the stresses of life, lift from my shoulders. Delicate branches from the tall birch reach for the clouds, dancing in the breeze. I...am. One, with nature.

DELICATE CAKES AND CHEERS

A still life photograph of a dining table set for a birthday celebration. In the foreground, a round, golden-brown loaf of shortbread sits on a dark surface. To its left is a clear glass of water. Behind the glass is a white, ribbed ceramic vase filled with fresh green herbs. A black and white polka-dot chair is visible in the background. The table is covered with a black and white polka-dot runner. The background shows white kitchen cabinets.

Roses and shortbread with a dollop of raspberry.
Strawberry cake with whipped cream! Three cheers
for mom on her birthday!

A person wearing a beige ribbed sweater and blue jeans is holding a tall, clear glass lantern. Inside the lantern is a single lit white candle. The person's hands are visible, one holding the top ring and the other the base. The background is bright and out of focus.

JUST FOR ME

A reprieve from the stresses of everyday life.
Remembering, to light a candle too. Savouring a
moment of stillness. Just for me.

A photograph of two woven baskets, one small and one large, standing on a stone-paved surface in front of a green door with shutters. The baskets are made of light-colored, woven material and have metal handles. The door is green with white shutters. To the left of the door is a white wall with some greenery. The text "CANDLES AND LAUGHTER" is overlaid in white capital letters at the top.

CANDLES AND LAUGHTER

Ah....summer! Twilight nights with lit candles and laughter that carries on long past midnight.

SUMMER
SS-23

STOREFACTORY®
SCANDINAVIA

A woman with long blonde hair is shown from the chest down, wearing a white long-sleeved shirt and a grey apron with a floral pattern. She is holding a grey fabric strip, possibly a belt or a piece of fabric, with both hands. The background is a plain, light-colored wall.

SUMMER LOVELY

Flowers at the windowsill. Sheer, lacy curtains. Pretty stones from the sea and a soft blanket. Summer lovely. What does it mean to you?
