Who We Are

China Petals is a business that is passionate about mosaic and bringing this ancient art to homes across the country in an easy to achieve format.

My name is Diane, I'm a mosaic artist and believe that everyone can create art. I design mosaic kits with complete beginners in mind enabling anyone to create a mosaic they would be proud to own.

Each mosaic craft kit is put together in the UK and has it's own colourful step by step instruction booklet, 'how to' video and everything needed to create the mosaic featured on the box, including glue and grout.

No cutting or special tools are required for any of the kits in this brochure and all are achievable by beginners.

Due to small parts and powdered grout the kits have an age suitability of over 12s but younger children would be able to make our mosaics with adult supervision.

Current best sellers are the Forget-Me-Not Heart kit, Sunshine Birdie kit and the Beach Hut kit.

This years Christmas seasonal kits feature the Christmas Reindeer (with it's cute gold nose), Flat Bauble, Duo of Christmas Trees, Standing Snowman and Snowflakes.
