# ABOUT US

Welcome to the wonderfully quirky world of Animoo Art...from gifting & fabrics to tableware & prints...plus much more!

Animal images from hand painted watercolours made by Katie Ford, a Lincolnshire artist. Reproduced as prints, tableware, cards, bags, giftware and much more! Artwork to really enjoy - explore and have a giggle with us!

# OUR PRODUCTS

This catalogue shows you a snapshot of what we have on offer by category.

Each print is available in a variety of sizes: 150mm square greeting card, A4, A3 and as a 200mm square print. Our prints will come cello wrapped with a cardboard backing. The greeting cards will be supplied 'naked' with either a kraft or white envelope depending on choice.

Our tableware is manufactured locally to us, in Rutland. Quality melamine designed to withstand temperatures of up to 140 degrees. Cork backed and built to last!

**Katie Ford - Artist**

"I have loved art for as long as I can remember and studied Fine Art at Uni. However all I ever wanted to do was to draw and paint the things I like - the things that made me smile - Conceptual art was never in my portfolio! and at some point I told myself that it probably wasn't a career I was destined for and set about building a career in the food industry in a role that I love and have stayed in for over 25 years. Animoo Art has given me the opportunity to enjoy my hobby, spend more time with my daughter and to paint the things I like"

**Amie Carter - Design, Marketing & Admin**

"Best friends for nearly 30 years, Katie often describes me as the wife that she needs to keep her organised! I love a list, I love things to be just right, so we work great as a team. I am in awe of Katie's artistic talent and together with my graphic design background, we are enjoying running Animoo Art together. We are both obsessed with animals, especially dogs, so Animoo Art is as much of a hobby to us as it is a business"
