SASSY SHOP WAX

HANDMADE IN BRISTOL

PINK PEONY & BLUSH SUEDE

SASSY SHOP WAX IS A LUXURIOUS FRAGRANCE BLEND OF APPLE, FLORAL NOTES OF PEONY AND VANILLA, MIXING WITH SOFT BLUSH SUEDE.

AN ELEGANT AND SWEET A...

...IN THE BOTTOM...

Our Story

In 2017 our then 21-year-old Director Keely spotted a gap in the market for a premium product that could make her home smell like her favourite bath products.

Armed with pure passion and excitement Keely started making wax melts from her kitchen with sales growing rapidly until, in December 2018, the Facebook shop sold out within moments of announcing new stock.

By mid-2020 Sassy Shop Wax had grown to inhabit a 5,300 SQ foot warehouse in Bristol, employing 20 members of staff and generating company-record-breaking revenues purely from online sales every month, fuelled by a unique blend of wax and an extensive range of scents.

Having grown so rapidly from humble beginnings, Sassy Shop Wax brings fresh, ambitious energy, nurturing, down-to-earth culture and aims to add value to our customers in any way possible - from £1000 giveaways to adding free products to customer's orders as a surprise when they tell us that they love a scent so much - community and customer service is at the heart of what we do.

Why Wax Melts?

All of our Sassy Wax melts are handmade in the UK by our extremely talented team at Sassy HQ in Bristol.

We have a fragrance library of over 500 scents and continue to release new scents to our Trade Customers every month.

We create exclusive scents that cannot be found anywhere else.

We believe wax melts are more cost-effective than Candles with the scent of 1 segment you can get up to 12 hours work.

Simply pop your favourite wax into a tealight or electric burner and melt the wax to release the fragrance, filling your room with a beautiful aroma.

CONSISTENT CUSTOMER FEEDBACK IS THAT OUR WAX MELTS ARE STRONGER AND LONGER-LASTING THAN OTHER LEADING BRANDS ON THE MARKET.

Our Products

All Sassy Shop Wax products are hand made by our team in Bristol, UK.

We use bio-degradable glitter, recyclable packaging, unique fragrance oils and a special blend of soy and mineral wax exclusive to us.
