RECORD
COLLECTION

Spring Seasons

40 DESIGNS • 5 SEASONS • POS UNIT AVAILABLE

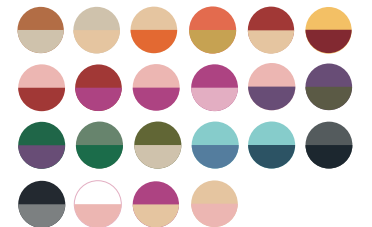

The Record Collection is a catalogue of memories, stories, friendships and experiences made up of our best loved songs across the decades. Songs we have 'danced to' in our teens, 'loved to' in our twenties and the songs that have marked the important occasions and people in our lives.

Brand new to Say it with Songs, the collection focuses on a new eye-catching and unmissable design that allows the customer to understand the concept in seconds, thanks to the vinyl spot colour and authentic record label design. We match this with saturated pastel tints - a guaranteed hit for Mother's Day and Spring / Summer assortments.
