## A LITTLE BIT ABOUT US

### Hand Made in Great Britain

Our products are lovingly handmade in Great Britain, by our team of chocolatiers based in Nottingham.

We're proud of our reputation for creating fantastic tasting chocolate pizzas and innovative little gifts that are simply beautiful!

### Premium Ingredients

We use smooth Belgian chocolate and source the finest ingredients to ensure we create products that taste as good as they look!

We are proud to say all our chocolate is sourced via farmers supported by the Cocoa Horizons Foundation, whose mission is to improve the livelihoods of farmers and their communities, through the promotion of sustainable entrepreneurial farming, improved productivity, and community development, which protects nature and children.

Our chocolate pizzas are infused with natural flavours and decorated with premium toppings. They are then handcut and served in their own pizza box in 4 sizes:

- 4 inch
- 7 inch
- 10 inch
- Pizza slice

We consider everyone's individual tastes for chocolate, whether that's milk, white or dark, and offer products that also accommodate vegetarian, vegan and gluten-free dietary requirements.

### Spoilt for choice

With a comprehensive range of Gourmet Chocolate Pizzas and seasonal chocolate gifts we have everything you need to create an enticing chocolate display for every season and occasion.

Plus, the Gourmet Chocolate Café Range introduces additional handmade chocolate products such as our Hot Chocolate Sticks and Hot Chocolate bombs, to compliment our existing range and further extend our reach.
