-  [VAPORLINQ.NET](https://vaporlinq.net)

The VaporLinQ brand was founded in the Netherlands in 2015 and quickly became a market leader. As a part of Superior E-Liquids strategic approach to breaking into the mainland European market, VaporLinQ was acquired in 2019 and has since gone on to be nationally listed in nine European countries. VaporLinQ is now a part of the Superior E-Liquids and Apache Vape network who work closely with distribution partners PMS International. In addition, we have multiple retail partners including Applegreen, Spar, Poundland, EuroGiant, and B&M Bargains. These partnerships enable VaporLinQ to expand it's reach internationally and maintain exponential growth.
