THE HIGHLANDS

Feel the Autumnal amber leaves crunch under your feet, embrace the scents of sap and evergreens that surround you, and inhale the stillness of your surroundings.

This is the Highlands.

A hand holds a lit candle in a glass jar. The jar has a label featuring a stag's head and the text "THE HIGHLANDS" and "Hand Poured Candle". The background is a blurred forest scene with sunlight filtering through the trees, creating a bokeh effect.

HOME FRAGRANCE

Designed in the UK, the Meg Hawkins home fragrance collection launched in 2022 with the 'Signature Collection' of products each with their own story to tell.

With so many more stories still to explore, the collection will continue to grow throughout 23/24.

THE HEBRIDES

Breathe in. You're surrounded by snow-capped mountains. Crystal clear streams flow in the distance; there is only wilderness here. Embrace the comfort of nature and all the landscape has to offer.

This is the Hebrides.

A top-down photograph of a bouquet of white tulips with long green stems and leaves, arranged on a light-colored surface. A small, clear glass bottle of hand lotion with a black pump dispenser is placed in the center of the bouquet. The bottle has a white label featuring a detailed illustration of a kingfisher bird perched on a branch. The text on the label includes 'The Retreat' and 'Hand Lotion'.

BATH AND BODY

Designed and sustainably made in the UK, the bath and body collection has been created with calm and wellbeing at its core.

This ethical collection only uses recyclable, eco packaging and is manufactured in the UK.
