About Us

Founded in 2022, Avalon Home is about the joy of hosting. We're for kitchen table suppers in your first flat. We're for week nights of juggling pasta for the kids and wine for the grown ups. We're for your first dinner party with the future in-laws and your tenth Christmas dinner in your forever home. We're for glamming up a Chinese takeaway on the sofa and making date night sparks on the dining table. We're for showing everyone you love, how much you love them – through time.

We design and manufacture entirely in the UK, supporting our fantastic northern industries, our accomplished creatives and our independent retailers.

Community first, manufacturing ethical, carbon footprint low.
