

SUZY D

LONDON

SPRING / SUMMER 2023

A FEW WORDS FROM US

ANDREW LIPTON

Co-owner & Operations Director

SUZANNE KERN (SUZY D)

Co-owner & Fashion Designer

We are delighted to introduce the Suzy D Spring / Summer 2023 collection. Bringing a zesty hit to your wardrobe, this latest delivery is filled with saturated shades and signature styles.

With cute, ditsy prints and a more pared back palette thrown into the mix too, there is something to suit everyone. Following in the footsteps of last summer's neon capsule, maxi dresses are bright and bold this season. Knits are lightweight and super versatile, while striped staples are attention grabbing - for all the right reasons.

We hope that you love this collection as much as we have loved creating it.
