Indulgent Soap & Body Care
Handmade in the North East of England

2023 Wholesale Catalogue

Our Story

Our story starts at the dining room table in 2020, Natalie had nothing but a passion and a dream to create indulgent bath & body care products, using only pure essential oils for the scents.

By 2021 our Citrus Humbug Foot Balm had been shortlisted by Top Santé for the 2021 body care awards. In October 21 we produced 9000 hand balms for a NHS corporate order, and in 2022 Natalie met Theo Paphitis after winning his Small Business Sunday Awards in September 2021. In October 2022 Natalie Won Best New Business at the Women Inspiring North East Awards.

All of our indulgent bath & body care products are handmade in Gateshead a small town in the North East of England.

Natalie has a passion for self-care and creating products that will Restore | Energise | Calm you.

Several of our products have been featured in the Press such as Luxe Magazine, Top Santé, Green Parent, Zoella, Pick Me Up, Spirit & Destiny, Chat & many others.

We have also held Pop Up shops in Fenwick & Boots Newcastle.

Our Mission

Natalie is a huge advocate for self-care! It is so important, now more than ever that we take the time out for us, to stop what we are doing in this very busy world and give ourselves some self-love.

Our products are handmade from high quality ingredients, that are full of love to help you feel Restored, Calm or Energised.

We want you to feel Awesome after using our products and pride ourselves on WOW customer service.

We strive to be environmentally friendly, we use recyclable materials such as the tins our Balms come packaged in. Our Whipped Soap & Body Scrubs packaging is made from 100% PET recyclable plastic packaging. Our Gift Boxes are made from 60-90% recycled materials, cardboard is one of the most easily recycled resources in the UK. The tissue paper is made from 99% recycled pulp, and the shred filling is recyclable and biodegradable.

Awards

We are extremely PROUD to have Won Best New Business at the Women Inspiring North East Awards in 2022 & Theo Paphitis Small Business Sunday in September 2021

Reviews

Wow customer service is one of our Brand Values, we strive to make our customers feel WOW after using our products.

"Absolutely love this foot balm - there was a clear difference after just one application, and after a week of using it I honestly don't think my feet have ever looked or felt this good! Cannot recommend it enough."

Clare

"I love this whipped soap! It smells gorgeous and a small amount goes a long way. I have sensitive skin and this soap doesn't dry out or irritate my skin. Makes my bathroom smell lush too! Will be buying more and would highly recommend to anyone."

Emma

"I've tried the orange lip balm before from Awesome and it really is the best lip balm out there, I thought I'd give the minty mayhem a go and it's just as good, really soothed my dry chapped lips and smells amazing!!"
