Early buying for the peak season ahead..

### Over 57 years of cutting edge innovation

Flymo invented the hover mower more than 55 years ago, and since then has continued to be a market leading manufacturer of effective and affordable garden care products. Our passion for innovation is what defines us. Whether you're looking to create more time in the garden with the aid of a robotic lawn mower, or achieve gardening freedom by going cordless for your lawn mower, hedge trimmer or grass trimmer, you can be sure you're in safe hands with the UK's gardening experts.
