ABOUT THE ARTIST

Rosie Smith is a UK based artist who creates expressive wildlife watercolours. Each piece of art is honest, and open, and infused with expressive movements intended to connect the beauty of the natural world to each and every one of us.

ABOUT THE COLLECTION

Created at a time when the world was under lockdown, Rosie wanted to bring the joy of the outside inside.

Inspired by wildlife from the British countryside, this unassumingly beautiful collection features birds, stags, hares. Quintessentially British but not stuffy; Rosie's style pairs the fluidity of watercolour sprinkled with vibrant detail curating a captivating energy for lovers of the outdoors.
