INTERNATIONAL GIFTING Co

## Kids collection

# KIDS STUFF!

Mollmill International offers extensive expertise in the hair, skin, bath, and body sector. With offices and warehouses in the UK and China.

We specialise in gift sets for hair, skin, bath and body.

Our high-quality gift sets make a perfect present all year round. Including a dedicated children's selection to ignite imagination with colours, shapes, and surprises.

The Mollmill bath time collection includes our animal collectibles as well as colourful rainbow and rocket gift sets. All Mollmill bath bombs are SLS and Paraben free, handmade with shea butter and never tested on animals. Fall in love with our animal collection of USB toothbrushes with built in timers for effective brushing.

Bring a splash of colour to your shelves with our kids make up pallets. Filled with make-up treats and accessories.

Shop from our Mollmill [STOCK ITEMS](#) or take advantage of our White Label or Private Label Services.

Add your own design and branding to existing sets or create your very own unique designs.

Let your imagination run wild with our in-house design team, we can bring your own bespoke designs to life.

Get in touch to discuss your ideas further. Our friendly, professional and efficient approach will guide you through the process with ease.
