

“fun for your feet”

*Late Summer
2022 collection*

soctopus

Born in Brighton, by the UK seaside, after years of selling socks for other people, our small but perfectly formed shop was forced closed during the pandemic of 2020, so we decided to pull together a group of friends to celebrate the best of everything that is fun, creative and positive in life and SOCTOPUS was born!

We revisited all of the amazing feedback from our loyal and eccentric customers over the years and decided to ban the genders, along with plastic hooks!

We are on a mission to give back to our friends every request and suggestion they have made over our successful years of trading and hopefully spread the SOCTOPUS message....
