

The image features a stylized graphic design. The background is a solid light blue color, overlaid with large, abstract, rounded shapes in a pale yellow or cream color. In the upper left quadrant, the words "BAKED IN" are prominently displayed. "BAKED" is written in a large, white, rounded, sans-serif font with a thick orange outline, set within a matching orange rounded rectangular shape. Below it, the word "IN" is written in a smaller, white, rounded, sans-serif font with a thick orange outline, set within a smaller orange rounded rectangular shape. The overall aesthetic is clean, modern, and playful, reminiscent of a logo for a bakery or a food-related brand.
