KIKKERLAND®

Hello and welcome to Kikkerland's Fall 2022 Collection! While it can be a bit stressful to get a new collection out on time, I have found a little stress can be a good thing. We all need a push at times to get things done. While working from home and in the office, we pulled all our resources together to bring you new ideas and designs that may resonate in this challenging world.

Our company's best friend and office dog KOBE worked like a dog this season with six new items including a new Bath Kit, Eco Dental Kit, a cute Light Up Name Tag, a beef flavored spiky Cow Ball to name a few. Of course, KOBE will continue to support the International Street Dog foundation.

Dutch designers [Chris Koens](#) and [Ramon Middelkoop](#) continue to meet the challenge of inspiring young children to go outside. They introduced two new items for our HUCKLEBERRY collection. The first one is the HUCKLEBERRY Water Brush, that fits any plastic bottle screw top and lets you draw graffiti on stone and concrete with water. Another great item is the Make Your Own Car. You find an object and attach with rope to the four wheels and one motor and boulder through the woods. Lots of fun!

There are four new CRAFTERS ideas from KDT ([Kikkerland Design Team](#)). Crafting is good for your creative mind. It fosters wellbeing that leads to inventiveness which can help you to solve your gnawing problems. There is a Batik Bandana Kit, Loom Coaster Kit, Macrame Keychain Kit and Indigo Bandana Kit.

As it turns out, the impulse to GARDEN is a great idea. Gardening is one of the healthiest hobbies you can develop. Get that vitamin D in your body and blossom like a flower! KDT has three new garden items including a Terracotta Regrower that turns your vegetable scraps into houseplants and a Bird Garden Saw that can cut through even the toughest stems and branches.

In our WELLNESS category, we have two new items. One is a complete Acupuncture Ring Set for fingers, wrists, and feet. The second is a Calming Kit that includes two wooden hand massage balls, earplugs, bamboo breathing straw and an eye mask with wormwood herb that helps you to relax.

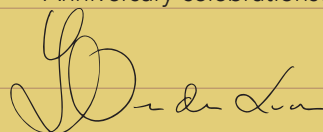

In TECH we made the Perfect Tablet Stand, Felt Mouse Pad and Desk Pad. From [Barbara Isenberg](#) we have the Squeaky Clean Mouse that easily cleans your screen and other electronics. Cleaning is good for your soul.

From Brooklyn is [Danielle Begnaud](#). She is the designer of the Gratitude Tree and now came up with a new charades game called Waggin' Words where you must use your tail to spell words. As your team guesses the words, you dress up with dog ears, paws, and a nose.

'Children are hindering', a famous poet from Holland said once, but they also give you joy and emotional wellbeing. It is such a delight to see them grow up and learn by being creative and playing. That's what Lorena at [Goodlines](#) from the UK does. KIDOKI, our new kids collection released this Spring, has six new items including Wooden Pinball, a colorful wooden Stacking Game, and three new games in on-the-go tins. All fun and very creative. KIDOKI products are 100% FSC.

I especially want to thank KDT this time. KDT designed and created all the other items like the Koi Fish Color Changing Shot Glasses, Hair of the Dog Flask, Golf Flask, Golf Tool, and Happy Together Cheese knives to name a few. Apart from Kikkerland's 30th birthday this year, we also celebrate her majesty Queen Elizabeth's Platinum Jubilee with a limited-edition Solar Queen. She waves her hand wish everyone well with peace and dignity.

Hope to see you soon at Kikkerland's 30 Year Anniversary celebrations!

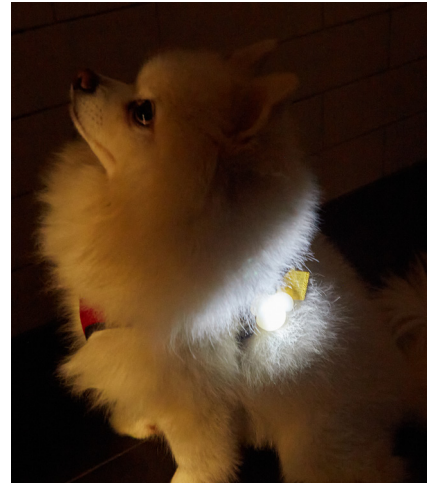

Jan van der Lande
