helilit for happy lively little people

2022 - 2023

Because we all need a sprinkling of **fun**

Fun, bold and bright to reflect the
joys and excitement of childhood
and the delights of play. We hope
it makes you smile!

All of the items in our extensive collection are carefully selected to inspire wonder, curiosity and excitement for young children as they explore and discover the world around them. We take care to ensure that as well as being safe, all of our products offer great play appeal and tons of developmental opportunities for little ones.

In addition to our much-loved Halilit children's musical instruments, you will find Taf Toys developmental play for babies along with lots of sensory items, wooden puzzles, bath toys, construction, role play and our newest addition, an adorable range of delightfully illustrated puzzles and activities from Dodo.

We hope that you will find lots to inspire you within these pages and look forward to working with you and supporting you throughout the coming year.
