Frequently asked questions

Q: Is there a minimum carriage paid order?

A: Yes. The minimum carriage paid order for the UK is £300.

Q: Will all the items in my order look identical?

A: No. All of our birds are individually hand-carved and come in a range of different poses.

Q: How will my order arrive?

A: All products are packed by item size in quantities of 10 per box. Unless otherwise stated.

Q: If I order an item with welly boots, will the welly boots all be the same?

A: They will be the same pattern or design, but in a mix of colours, e.g. if you order floral welly boots then you will receive a selection of different floral colours.

Feathered family values: Charm, Quality and Imagination

DCUK is The Original Wooden Duck Company. Our passion is creating hand-crafted wooden characters that make people smile. We're proud of the care and detail that goes into every Duck and Feathered Friend and of the qualities that set us apart from birds of other flocks.

Handmade individually

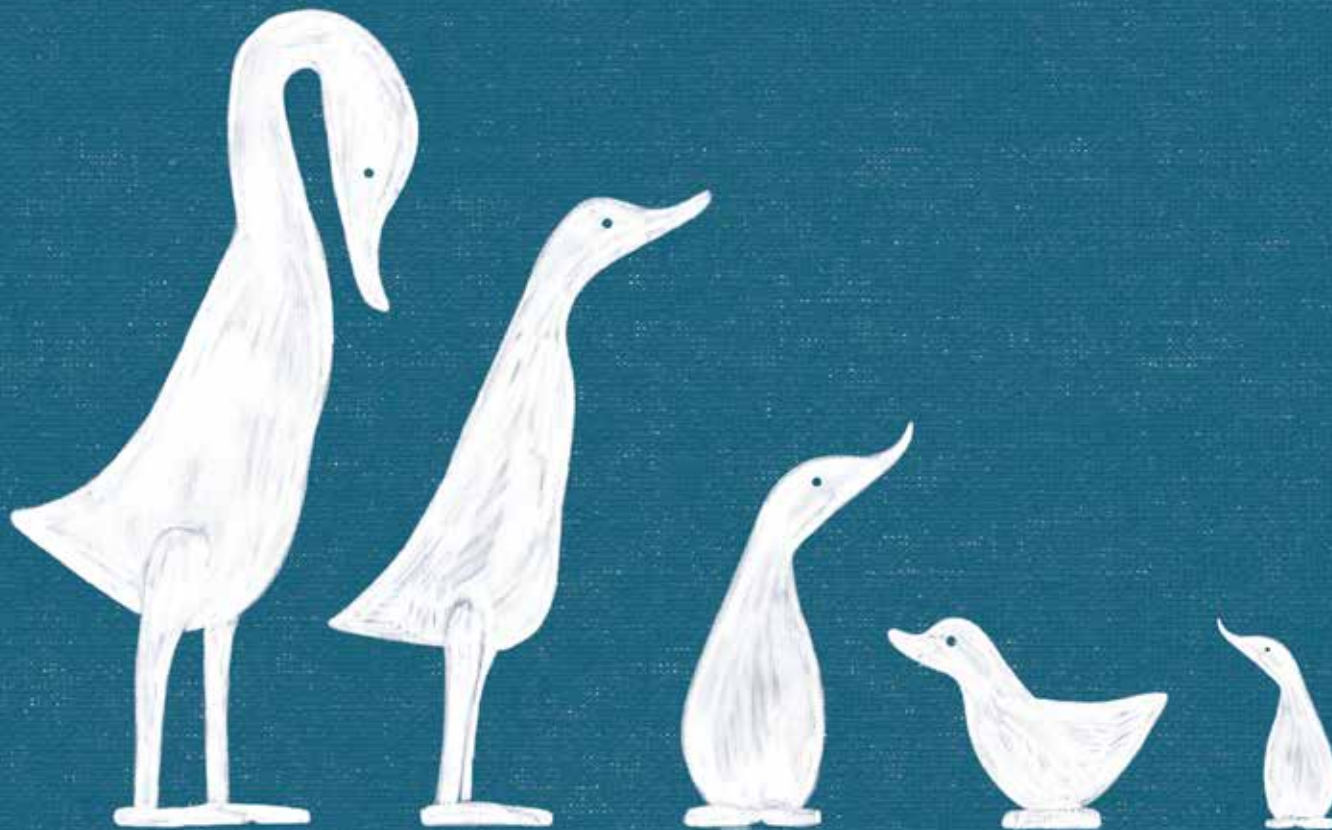

When we discovered the Indian Runner Duck, we met a culture rich in storytelling and craft. The tradition of puppetry is deeply rooted in Indonesia, where generations of sculptors and artists have carved wonderfully expressive characters from the humble roots of bamboo. We work with craftspeople in Indonesia, providing stability and confidence to families and communities – a partnership that means indigenous creative skills continue to be valued and enjoyed.

Environmentally responsible

Every DCUK piece is carved by hand, using locally harvested bamboo offcuts that would otherwise go to waste. Not only is bamboo root an environmentally responsible material, but its distinctive grain adds beautiful textures to our tail feathers.

Working together

Our customers don't just stock DCUK original characters – they believe in them.

They believe that each one is a unique gift that tells a personal story. They also appreciate the value of the traditional craftsmanship and artistry that is visible in every range we offer.

And, they share our belief that every DCUK character can help make someone smile.

We see our trade partners as enthusiastic ambassadors of the DCUK brand, who benefit from ongoing support, encouragement, and brand-level activity.

Video campaigns, engaging social media content, PR and our retail marketing efforts – it all creates a buzz about DCUK and helps drive interest and sales for everyone involved.

Insights and experience

We can easily share digital assets, illustrations, and visuals with our DCUK trade community. Visit dcuktrade.com – our dedicated website for trade customers that includes downloads as well as product and brand information.

Most importantly though, we'd like everyone to benefit from what we've learnt from our own retail experiences – particularly over the last 12 months or so.

Trends, customer feedback and ranges that work well together. Marketing tips and tricks that have helped convert more sales and engage more people. Merchandising ideas and display inspiration that taps into our storytelling themes.

We can share all this, so please do get in touch with the UK Trade team – and make the most of the opportunity to sell DCUK to your customers.

The DCUK Pin

A mark of exceptional quality and irrepressible personality

Every day, all over the world, our ducks make people smile. In letters and emails, on social media and by phone, people tell us that a carved creation with wide eyes and welly boots has found its way into their hearts.

But how can customers be sure that a Duck or Feathered Friend is the genuine article and avoid later disappointment? The DCUK Pin is a badge of honour and our promise that every gift is:

Handmade:

We carve and paint every character individually.

Sustainable:

Every Duck and Feathered Friend is made from earth-kind bamboo.

Named individually:

When you find the right name you just know.

Whenever someone sees the DCUK Pin, they can be confident it's a bird of distinction; raised to charm and delight.

*Earth-kind
bamboo*

*Hand-carved
& painted*

Take your merchandising to the next level

We're really excited to present our brand new free-standing display units, created especially for storing, promoting and selling our pre-boxed Garden Birds and Dinky Duck ranges.

Any new orders for packs of Garden Birds or Dinky Ducks can also ask to receive our eye-catching free standing display unit (FSDU). Each unit holds up to 18 Garden Birds, or 60 Dinky Ducks – and can really help increase your sales of those ranges.

We've also got header boards for each range too. Standing at 1.5m tall, each specially designed storage stand offers an ideal way to make our characters even more accessible to purchase as self-contained gifts or treats.

Keeping your display topped up

With our Garden Bird stands, we recommend that two birds are displayed out of their houses, on the top shelf. We've got a few suggestions to help you achieve this.

Having them displayed separately really helps to capture the attention of customers.

As long as you have a display stand, you'll automatically get **FREE DELIVERY** on future orders, if it includes at least one pack of Garden Birds or Dinky Ducks.

Support & inspiration

Our ducks are great communicators, but they can find it difficult to be heard in busy or crowded places, or from the back of a high shelf! Our ducks speak to customers best when they can make eye contact and share a bit of their story.

DCUK aims to make people smile by creating an atmosphere infused with our values of charm, quality and imagination. Each of our ducks has a rich story with the power to transform a wooden object into a member of the family.

When we exhibit our new collections we let our imaginations run wild and thoroughly enjoy creating miniature worlds for our ducks.

We invite you to do the same. A glitter ball beside the Disco Ducks, a nesting box with a Garden Bird perched on its roof... whatever story you wish to tell, you'll find a duck family that will chime with your customer.

For more gift display ideas visit dcuktrade.com

Point of sale

To make setting the scene easy, we offer a range of point of sale materials to choose from. You may want to highlight the craftsmanship that goes into DCUK characters, or the playful nature of the brand.

We are also introducing dedicated cardboard display stands for our Dinky Ducks and Garden Birds. However you'd like to share and sell the DCUK story, we can help you do it with flair.

Personalise me

Every DCUK character is truly individual. Keen for you to know them, each character comes with its name engraved on a cotton card tag, hung around its neck or ankle.

We know that some customers are looking for a specific name. To help you avoid losing out on any future sales, we've updated our tag personalisation service – and made it **FREE**.

When they get home, customers can visit a dedicated website, confirm the address and what name they want... and we'll send it off to them.

There are instruction cards inside each gift bag, plus dedicated point of sale available to help you to promote this exciting free service.

Please get in touch to find out more about this new FREE service.
