# SUPER ECO CLOTH™

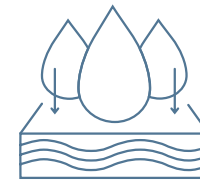

## TOUGH ON MESS, GENTLE ON THE PLANET.

Super thirsty, super eco-friendly, and super economical. Gleener Super Eco Cloths are a sustainable alternative to paper towels, sponges, and dishcloths. Use your Super Eco Cloth for a streak-free clean in the kitchen, bathroom, on glass, stainless steel, granite, indoor/outdoor furniture, for pet messes, and even for the car. **If it's dirty, this cleans it!** Naturally antibacterial and quick drying. Simply rinse, dry, and reuse up to 15,000 times, then toss in the compost bin. For a deep clean, run through the dishwasher, and then hang or lay flat to dry.

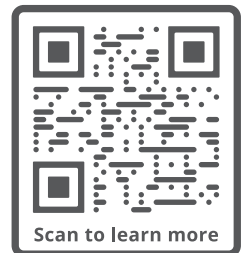

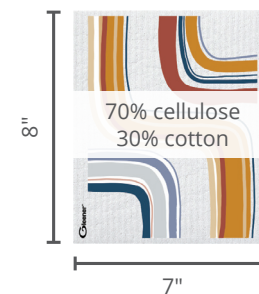

Durable, reusable,  
dishwasher safe

Super absorbent &  
quick drying

Eco-friendly &  
biodegradable

### SUPER THIRSTY

Absorbing 15x its weight, the Super Eco Cloth quickly soaks up spills, and effortlessly polishes surfaces.

### SUPER ECONOMICAL

Replacing over 15,000 sheets of paper towel, each Super Eco Cloth can save you over \$400!

### MULTIPURPOSE

Use for a streak-free clean in the kitchen, bathroom, on glass, stainless steel, granite, indoor/outdoor furniture, walls, fish tanks, pet messes and even for the car. If its dirty, this cleans it!

### EASY TO USE

Simply rinse, dry, reuse, and feel good about taking better care of our planet. For a deep clean, run through the dishwasher, or machine wash. Hang or lay flat to dry. Reuse up to 18 months, then toss in the compost bin.

### GENTLE & EFFECTIVE

Soft on hands when wet and scratch-free on all surfaces, trust the Super Eco Cloth to muscle through dirt, grime, dust, and spills, leaving behind nothing but a streak-free shine.

### QUICK DRYING

Naturally antibacterial and quick drying.

### SUPERHERO

Super Eco Cloths are USDA certified to be 100% biobased and composed of renewable resources.
