EARTH SQUARED

PRIORITISING PEOPLE AND PLANET

Fair trade is why we started and continues to be at the heart of what we do. But we are also doing our best to reduce our impact on the planet including the following new initiatives.

NEW PACKAGING

We have been focussing on eliminating the use of single use plastics in our packaging, and in Autumn 2022 all products will now arrive with you in entirely biodegradable, compostable, recyclable and marine friendly Eco Garment Bags. Designed so that products reach you in perfect condition, these bags use Hydropol TM to biodegrade entirely after use - they look like plastic and protect like plastic but with zero end of life problems.

For more information please visit www.ecogarmentbags.com

GIVING BACK

We are supporting a number of initiatives including tree planting and plastic collection in partnership with GetGreenspark - all with the aim of reducing the impact of our carbon footprint. Look out for further developments on our website in Autumn 2022, so that you too can choose to support these initiatives when shopping. For more information about how we are supporting these initiatives, please visit www.getgreenspark.com

MORE TO DO

We are continuing to work on improvements as to how we do things, and the positive changes we can make. Watch this space!

AUTUMN 2022

Embrace Autumn with something fabulous from Earth Squared! Our new Autumn/Winter 2022 collections are packed with new designs and styles which will make you look and feel fantastic. Whether it be oilcloths, tweeds, velvets, lightweight nylons, scarves or wraps, we have something for everyone so we hope you like what you see!

We are seriously into 'feel good fashion' and design all of our products in-house - including our signature tweeds and oilcloths, to create unique, stylish and easy to wear accessories. Plus 'fair trade' is at the heart of what we do - and we have been in partnership with artisans in Vietnam for over 20 years now, so you can be sure you have bought something special, with a great story behind it. Every purchase really does make a difference to those we work with.

Thank you for your support, and if we can help with anything, please get in touch.
