BY MOON

INTERIORS

# Bronte by Moon is an authentically British lifestyle brand.

Bronte by Moon create their beautiful fashion and interior accessories from the Moon mill in Yorkshire. Their extensive range fuses contemporary and classic design whilst incorporating beautiful colourations, often inspired by the beauty of the British landscape. Each product is manufactured to the highest quality from natural fibres across their collections of Merino Wool, Pure New Wool, Alpaca, and Mohair.

# Pure New Wool

Pure New Wool throws have an authentic character befitting of many applications.

The richness of the woollen yarns we use allow our design team to create a vast array of contemporary and timeless designs, ensuring there's something for every occasion; home or away.

# Merino Wool

Merino Wool has long been renowned for its luxurious yet practical attributes. The natural softness of the wool is the key to these cosy throws. From classic herringbone designs to geometrics and bold checks; our versatile collection offers something to complement any interior style.

# Alpaca

From the highest plains of the Peruvian Andes, Alpaca wool is the connoisseurs' choice — known for thousands of years as the fibre of the gods. A durable, luxurious and silky fibre, Alpaca wool is celebrated for its natural warmth and hypoallergenic qualities.

Amongst our collection you will find a mixture of neutral and bold shades, a wonderfully rich addition to any interior.
