Our Story

The English Soap Company story began in 2000, when founders Bob & Juliet discovered a number of vintage soap moulds lying disused in a machinery workshop on a farm in Kent.

Bob & Juliet spent many years perfecting the art of soap making and perfumery.

As the business grew Bob & Juliet moved their soap operation out of the kitchen and on to their local farm site in beautiful Waldron.

The English Soap Company still makes all of their products on their farm site in the heart of the Sussex countryside.

All of our products are cruelty free

All of our products are made in England by us

We make pure vegetable soap with added shea butter and glycerin

Our products are SLS and Paraben free

We are a friendly, family run business

Our packaging is sustainable & recyclable

ABOUT OUR INGREDIENTS

Tea Tree oil comes from the leaves of *Melaleuca alternifolia*, a small tree native to Queensland and New South Wales, Australia and is a well known powerful and natural antiseptic. Our 2% Tea Tree Soap makes a super cleansing bar, ensuring your skin is not only clean, but thoroughly sanitised.

Sulphur has remarkable germicidal and skin cleaning properties. It has been used for therapeutic purposes since Roman times. Sulphur removes dead skin cells, clears blocked pores, and decreases excessive oil production, fighting the causes of acne and eliminating breakouts and blackheads.

Our 10% Sulphur Soap is highly praised by its avid followers for ameliorating many different skin complaints including psoriasis, and eczema. Use together with our Sulphur Cream for extra moisturising protection.

Aloe Vera contains cooling properties which can help to soothe irritated skin as well as being moisturising, it's antioxidants can also help to slow the signs of ageing.

Vitamin E helps to moisturise and soothe dry skin. Research shows vitamin E can support nail health by preventing cracked cuticles and dry skin around the nail bed.

Beautiful GIFT SOAPS & CANDLES

With plenty of fragrances to choose from - whether it's fruity, floral, woody or exotic, each of these generously perfumed pure vegetable soaps last right until the very end of the bar! Enriched with shea butter to nourish and moisturise your skin.

Our hand-poured soy wax candles also come in the same fragrances, making a lovely collection of mix and match gifts to suit a wide range of tastes.

All products are vegan friendly, cruelty free and packaged in fully recyclable materials.
