

Sharadha Flora

Sharadha Flora is our signature product having the goodness of sandalwood powder, medicinal roots, and essential oils, with an aroma that appeals to people of all age groups, making it a huge hit and the most loved variant amongst customers!

Rudra

The **Rudraksha** or **Elaeocarpus** flowers are the main components of **Rudra**, offering an experience filled with a sense of peace while simultaneously elevating the ambience of the place.

ROSE

Rose

The fresh, delicate fragrance of **Rose** will instill a sense of peace while elevating the environment and welcoming positivity every time it is lighted. The ambience will be sweetened in no time.

Swaram

Swaram delivers a delightful and sweet perfume that will instantly turn the aura of the room into a purely pleasurable one, owing to the richness of edible **chocolate** used as the star ingredient!

Ikshvaku

IKSHVAKU

Ikshvaku produces a clean, woody, and fresh scent that naturally uplifts the atmosphere of any area when lighted, thanks to the benefits of **Pine** and root extracts!
