

ABOUT US

Wordsworth Editions was established in 1987, but it was the launch in 1992 of the £1 Classic paperback, the brainchild of the late Michael Traylor, that put us in spotlight. This was back in the days before book prices could be discounted so the fact that we could offer titles at a fraction of the cost of existing editions caused something of a sensation, and made them irresistible to lovers of classic literature.

THE CLASSICS

Over 200 titles from the finest works of literature. Most of these titles have exclusive introductions which are indispensable for both avid readers and students. Our paperbacks have always been considered a bargain and this low price point is something we work hard to maintain in order to ensure we continue to bring affordable classic literature to both students and the general public.
