TIME ART | 14+

This series of products are created by Miko, a famous European designer, to create the beauty of combining machinery and time. Turn invisible things into tangible art works that can be transmitted for you. As long as you rotate the corresponding mechanical structure, the product will tell you the exact time and date. They are clocks and calendars that can be practically used in real life.

ROWOOD

Rowood is a sub-brand of Robotime, which the products excels in its simplicity of assembly, catering to children aged 8 and above, as well as beginners in crafting.

Here, we offer a variety of safe 3D wooden puzzles that require no glue. Once completed, these puzzles can serve as exquisite decorations or tempting collectibles, adding a unique charm to your living space.

Rowood's products go beyond mere crafting, they provide a creative and educational experience. Engaging in the assembly process helps children develop hands-on skills, and beginners can gradually acquire fundamental crafting techniques.

WOODEN BLOOM CRAFT | 8+

Sending flowers is a wonderful way to express love and well-wishes, and each type of flower carries its own unique and beautiful meaning. Rowood took inspiration from nature and created a dreamy flower garden based on sunflowers, lilacs, red camellias, and pink roses to capture the poetic and romantic essence of blooming flowers. These products are 3D wooden models that can be assembled and adjusted to different stem heights, allowing you to experience the joy of flower arrangement. By creating a heartfelt flower gift with your own hands, you can surprise your loved ones with something truly special.
