Autumn/Winter

Issue 25

Welcome to our latest edition of the Alice Wheeler 2024 Autumn/Winter brochure. A compendium of everything we do and clearly organised, it's your trusty handbook and faithful reference point. The year has been a celebration of new brands, fresh and innovative ideas, using the latest materials, and exquisite designs. And let's not forget our mainstay and continuity ranges, ready-to-wear proven winners from Alice's fashion and beauty collections, a one stop shop for all you need.

In Fashion. Spring introduced a luxurious range of Faux Nappa leather and Suedette combinations, and the collection has been a phenomenal success story. Alice Wheeler London Nappa, is iconic with inspiring lines of luxury, designed with durability and timelessness in mind.

Autumn 24 presents a diverse range of fashion, beauty, and gift accessories, and touches of class with our Florence dual-purpose handbag and shoulder-cross body, with top handle or adjustable strap options. We have a luxury range of cross body bags, and the stunning Lisbon boxed camera and Milan Tote styled using sophisticated woven techniques and fused contrasting materials. Nappa is elegance personified, available in four classic colourways, including our latest Navy collection new for the season.

Soho CCBB's continues to be one of our bestselling styles, and for autumn 24, we 're adding further new colours to the collection, offering over 25 colour options ready to accessorise any outfit with a chic and feminine touch. Continuing with fashion; autumn introduces three fabulous new creations with personality, look out for The Highbury CB, Mini Bloomsbury phone CB and the all-new Chelsea Clutch, available in a wide range of vibrant colourways to suit all tastes and fit effortlessly into any wardrobe.

It's a Gift! Whatever the occasion, Alice Wheeler London has created a magical range of gifting solutions this season. Whether its our new travel jewellery roll, or boxed gift set combinations from a wide range of compact mirrors, manicure sets, or our amazing glasses case in an array of colourways.... **we've got you covered!** And not to forget our amazing range beauty accessories, the perfect gift for any occasion.

Following the success of Alice's travel/beauty Train Case selection; we've been proud to establish "**The London Train Case Company**". Reminiscent of a bygone age, the train case has been the ultimate companion for the discerning traveller since the early 1900's. **LTC** offers you a modern twist to this classic design incorporating textured, vegan faux leathers in two sizes with a sophisticated colour palette, flashes of pop coloured zip fasteners and matching interiors. **LTC** includes our first range of luxury leather goods, available in three classic neutral colours, true investment pieces perfect for those who want quality and style.

Alice Wheeler London is a British brand and British designed. We have a proud heritage of delivering the highest quality products, with the best service always and we thank you for sharing our passion and values. Seeing you delight in our creations fuels our fire, enriching us with the inspiration to move forward on our privileged journey and we wish you the very best for the season ahead.

Best wishes.... from team Alice
