First Edition TUBBZ®

Introducing the TUBBZ® "First Editions," a must-have for serious TUBBZ® collectors to ensure they don't miss out on their favourite cosplay characters.

In the past, TUBBZ® have numbered each figurine and limited their production to a specific quantity, ranging from 1000 to 3000 units. To simplify the process, all new TUBBZ® releases will now be classified as "First Edition."

Once the current stock is sold out, it will no longer be available. However, some of the most popular TUBBZ® may be re-released in the future, but as a boxed variant...
