# SATELLITE

Your personal favourite sound: With the Satellite Sounds you can expand the forest atmosphere of the Zwitscherbox. Box by box, you create your own individual sound cosmos.

- Motion sensor (reacts to changes in light)
- Rechargeable (charging cable included)
- 60 seconds of sound

NIGHTINGALE GREEN  
Body: White  
Front: Classic

NIGHTINGALE WALNUT  
Body: White  
Front: Wood

Zwitscherbox Satellite Sounds can be used individually or in combination with the Zwitscherbox. This makes the walk in the woods more refreshing than ever.

Our first Satellite Box offers you the song of the nightingale to complement the forest sound of the Zwitscherbox.

Have fun in your new favorite forest!

## BIRDYBOX

The small, fine bird concert: The cheerful twittering of birds sends us a refreshing greeting from the forest and immediately relaxes us.

- Motion sensor (reacts to changes in light)
- Body 100 % organic based material
- 6 × 20 seconds of sound

**BIRDYTIMER**  
**THE TIMER**  
**THAT CHIRPS**

ALWAYS A GOOD TIME

120 seconds of chirping  
**NEW FROM**  
**Q2/24**  
as a relaxed signal tone

A new original from Relaxound: a timer like never before. Puristic in design and with the intuitive relaxation effect of chirping.
