

MO STUDIOS

E-COMMERCE PHOTO AND VIDEO SPECIALISTS

ABOUT MO STUDIOS

With over 15 years of experience, MO Studios are one of the UK's leading e-commerce product photography and videography studios.

We are well known for creating sales-generating images across a range of different products and at affordable prices. Our small but highly experienced team have the skills and knowledge to create first-class and professional imagery whilst providing exceptional customer service, and we take pride on always delivering the very best.

We do most of our photography from our studios in London and Birmingham, but we can also shoot on location too which could be at your own premises or a hired venue of your choosing.

VIDEOS

Using videos for e-commerce is becoming increasingly popular and is a great way to show your products in a more exciting way.

We offer a range of different types of videos from simple 360-degree spins to complex and dynamic promo videos, and we take care of everything including; generating ideas, storyboarding, filming and editing.

Our expert videographers use the latest cinema cameras to film in stunning 4k and high quality microphones to capture crystal clear audio.
