JEWELLERY & ACCESSORIES

Spring/Summer 21

How to order

- Fill out the enclosed order form & post it back to us (or take a photo on your phone & email it)
- Or go online & place your order on the website as usual. As our website is fully stock controlled, this is the best option to ensure that everything you choose is available
- Of course you can always email us or ring us too!

About us

We're a family run company that work closely with artisan manufacturers in both India & Indonesia.

It has always been our policy to trade as fairly and responsibly as possible using ethically and sustainably sourced materials. The majority of our designs are made by hand, right down to base components that are hand-sanded and painted before being assembled into bracelets and necklaces.
