Opportunities for success

OVERVIEW

Creative Freedom celebrates extreme self- expression and the confidence to think outside the box.

Hyper textures, upcycling and ingenious crafting are explored with renewed enthusiasm.

Feel good design, colour and textiles bring welcome personal re-invention.

COLOUR

Colours with luminous sheen tantalise the senses and refresh design for enhanced individualism and an expressive palette that is full of character.

VICTORIA BECKHAM

Fresh Fusion

CREATIVE FREEDOM

A refreshing blend of fantasy and nature with serene blue tones and livelier golden yellows that bring an up to date, contemporary luxury feel to womenswear design.

Palette - Limelight, Gold Fusion, Nantucket Breeze and Dazzling Blue.

SHUTING QIU

LOEWE

PRINT

Creative Freedom celebrates expression and the confidence to think outside the box.

Surrealism, acceptance and ingenious crafting are explored with renewed enthusiasm.

Expressive Collage

CREATIVE FREEDOM

Creative sustainability is in focus, and upcycled waste materials and leftovers are repaired and pieced together for irregular collages with vibrant pattern.

Styling - Collaged prints, mixed scales, vibranr colour, geometric shapes and asymmetric placements.

GUCCI VAULT

ISSEY MYAKE

MATTY BOV

ANDA MAKAROFF

0

OVERVIEW

The importance of tradition, community spirit and the connection to our pasts inspires a story that delivers nostalgic security and familiarality.

Classic are elevated, traditions are refreshed and historical influences are pulled forward to deliver an injection of comforting nostalgia.

Gender inclusive silhouettes and multi purpose design is in focus.

COLOUR

Warming brights and calming naturals come togther to bring nostalgic moments and reassuring feelings that elevate classics and refresh tradition.

Summer Escape

CONNECTION

The invigorating aspects of green inspires soothing thoughts of comforting escapes and are lifted with nostalgic summertime pink.

Palette - Quiet Green, Spagnum, Shifting Sand and Pastel Lavender.

VOGUE

MAX MARA

PRINT

The importance of tradition, community spirit and the connection to our pasts inspires print stories that nourish and support.

Discord Checks

CONNECTION

Checks and plaids are refreshed with supercharged colour and are worked into mismatched layouts for new interest and modern combinations for contemporary looks.

Styling - Brightened plaids, distorted checks, misplaced layouts, colourful weaves and patchworked patterns.

STRID SKIBSTED

DESIGUAL

VOGUE

FABIEN CAPPELO

Virtual Nature

Virtual Nature

OVERVIEW

Technology, nature and space exploration collide in a story with an obvious enhanced digital look that showcases innovation and future development.

Our natural surroundings and a fantastical view of them, bring blurred and virtual design developments that ignite and excite the senses.

An otherwordly aesthetic that blurs realities and brings futuristic fantasies.

Virtual Nature

COLOUR

Technology, nature and space exploration collide for a colour story with obvious enhanced digital influences that showcase innovation and newness.

Cyber Species

VIRTUAL NATURE

Punchy greens bring energy and spirit when paired with vibrant pink shades for a colour story that blends organic forms with a premium synthetic aesthetic.

Palette - Garden Glade, Lima Bean Green, Pirouette and Raspberry Sorbet.

ELLE

Virtual Nature

PRINT

Technology, nature and space exploration collide in a print story that brings mesmerising pattern in digital inspired colour palettes.

Electrified Garden

This trend celebrates the connection between technology and nature with electrified florals and glowing prints for digitally enhanced pattern with luminescent shine.

Styling - Luminous florals, electrified blooms, digital enhancements, glowing insects and radiant foliage.

Who is Tiffany Hill?

Tiffany Hill is a fashion trend forecaster, providing established brands, studios and designers with seasonal fashion trend insights. After enjoying over two decades of success as a fashion designer for major UK retailers, she now delivers trend information in an easy to understand, actionable and accessible format.

With her craft and eye for detail as a designer, and her curiosity and vision as a fashion forecaster, she sells digital trend books to over 2000 clients across 40 countries in every corner of the globe.

Tiffany's specialist blend of design, vision and creative thinking helps fashion brands become the authority within a competitive industry. She has over 65,000 followers across social media and her insights have been featured in British Heritage and Yorkshire Living magazines as well as on Euronews and other reporting platforms.

Tiffany understands that fashion moves fast and enables fashion professionals to stay relevant in an ever-changing marketplace.

Tiffany lives in West Yorkshire, UK with her husband and beloved pug "Queenie". She has grown-up twins – a daughter and a son, who are also successful in their chosen fields.
